

**To Pemiscot County Voters.**

I am taking this means of advising my friends throughout the county that I am no longer a candidate for the office of Prosecuting Attorney of this county.

Owing to my father's ill health it is necessary that I give him a great deal of my time, especially so at this particular time since our recent fire has made it necessary to reorganize his business. This leaves me hampered for time to make a thorough campaign.

Trusting my friends will take the view that I have in the matter, that my first duty is to my father, I wish to thank them for the earnest support already tendered me and to assure them that my appreciation of same is deep.

W. W. McELVAIN.

**Watch the Herald Grow.**

Some idea of the result of the Allen-Kohn-Walker fight that has been waged against us for a little over a year may be gained from the figures submitted below. Don't take our word for it. You have our permission to ask the postmaster. At the time the fight was started against us the Herald was weak and small and could hardly live. Immediately after the fight to put us out of business was begun the Herald began to grow by leaps and bounds. Here is the mailing weights:

Jan. 2, 1913 (note the date and figures).....	lbs 24
July 9, 1913 (Walker being brought here).....	33
August 20, 1913 (Walker here with his "Critic")..	57
June 11, 1914 (watch the figures climb).....	84
