## A NEW LAW FIRM.

Drs. Lutten and Mayes attended a patient in the upper end of the county Tuesday which they pronounce pellagra.

## OLD CITIZEN DEAD.

Twice-a-Week Democrat: The body of John R. Carroll who died at the residence of his son, Will Carroll at Trueman, Ark., on last Friday, was brought to this city on the noon train Sunday, and interment had from the residence of Mrs. Louise Steinbraker in Little Prairie Cemetery, his death being caused by dropsy. Mr. Carroll lived in this city for years and made many sincere friends by his honorable and upright life while here. He was the father of fifteen children, several of whom are alive and live in Arkansas.

## A GOOD CROP YEAR.

Although the wet weather has been a little excessive and has worked quite a hardship upon some of the farmers, especially those overcropped or on low land it is agreed by all that we have the finest crop prospect in many years. Another good feature this year is that the people have spent less and gone in debt less than in many years, and it is said some have lived extremely hard, in order to make their crops. It is even said that some have had a hard time to get the necessities of life and the wonder is that they have been able to go ahead with their work. This goes to show what people can do when they try. There is always a way provided. It may be a hard way, but the man who will try will always make his way and you can't keep him down. Now let the experience of last year be a lasting lesson.

## THE CROW MYSTERY.

The report from St. Louis that Robert G. Crow, former postmaster of Caruthersville, who disappeared mysteriously from the Pontiac Hotel December 21, last, has been found, is not verified to the satisfaction of the missing man's family. The St. Louis papers state that representatives of the National Life Insurance Company of Vermont had, by a photograph, located and identified Crow as an enlisted soldier in the United States army, but the statement cannot be confirmed. Mrs. Crow had brought suit against the life insurance company to collect a policy held by her husband, whom she believes dead.

It is said Mrs. Crow has no knowledge of the story the St. Louis papers have published, and that she knows nothing of her husband's whereabouts.

## CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" is Harmless To Clean Your Sluggish Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work. Calomel is mercury or quick-silver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine: entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is logging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
