Beware of Ointments for Catarrh That Contain Mercury
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

The high school will give a "Negro Minstrel" in the near future.

Manley J. Mumford of Alton, Ill., will deliver the graduating address here on Monday night, May 22. The baccalaureate sermon will be delivered the Sunday previous. We think we will be able to announce the speaker for this occasion soon.

George Merrill Jr., son of G. W. Merrill of Carleton, was taken to Memphis, Tenn., last Sunday, where we learn an operation was performed Monday for appendicitis. The latest reports are that he is getting along as well as could be expected. George has the sympathy of his schoolmates and teachers. We wish for him a speedy recovery.

John Fields is going some. But he is not running for any office, but is the first one we know of to plant corn, he having planted ten acres of corn last Monday.

Mrs. Albert Stacey and little children came over Thursday afternoon of last week and spent several days with Mr. and Mrs. Shepard in the country.

FORGING AHEAD.

We have just had the pleasure of looking through one of the new premium catalogues issued by the United Drug Co. manufacturers of Rexall Remedies, for the use of the customers of thousands of Rexall Stores in the United States, Canada, England and Ireland. This book is truly a work of art, beautifully gotten up in colors, illustrating and describing nationally advertised articles which the customers are able to obtain at exactly one half price through the Rexall Stores.

We could hardly realize how this were possible until we were shown that this company is the largest of its kind in the world, being a fifty million dollar corporation with a system of distribution unequalled by any other concern. Hence, the enormous buying powers and method of distribution compels the price. Mr. Lefler who owns the Rexall Store here says it is one of the biggest things he has tackled in a long time and one of the best things he has ever had the pleasure of handing out to his customers.

We are in receipt of a very appreciative letter from H. C. Heigert of Pueblo, Colo., in which he states that he likes the Herald very much. Mr. Heigert is interested in this county, as he has some fine land just west of Hayti, and in the near future expects to move on it. We would be glad to welcome him to our county.

Mr. and Mrs. Ben Barkovitz of Wardell came up Sunday and spent the day with Mr. and Mrs. I. Kohn and family, Mr. Barkovitz returning at his work at Wardell. He is one of that little city's enterprising merchants. Mrs. Barkovitz, nee Rosa Kohn, remained over for a few days visit.

The best proof we've seen that the Democrats did good work at St. Joe is that the Post-Dispatch is displeased with what was done. When the P.-D. and the G.-D. are displeased Democrats should be pleased.

John Tidwell of Point Pleasant was shaking hands with friends in Hayti Saturday.

Geo. DeLisie of Portageville passed through this city Saturday on his way to Gideon. We understand he is a candidate for sheriff of New Madrid county, and if he is as fair with all parties as in days gone by, his people may look for a just and competent officer.

Miss Pauline Willis of Truman, Ark., who has been in this city several months staying with her uncle, Pete Meatte, and family, and attending our public schools, returned home and left Monday with her parents for Webb City, to make their new home.

ENTERTAIN S. S. CLASS.

On Tuesday evening, March 28, Miss Jessie W. Hill entertained at her home. The reception was given in honor of L. C. White, a member of her Sunday school class, who expects to leave us soon. Miss Hattie Wirsching assisted with the entertaining.

After spending two and a half hours in continuous merriment and laughter, our hostess in her usual delightful manner served the guests with delicious homemade candies, the making of her own. Those present were: Misses Sadie Mitchell, Mary and Edith Davis, Mae Dowd, Thelma Morris, Bonnie Blackard, Nellie Schmidt, Gladys Chism, Effie Ball, May Popham, Jettie and Farrie Gettings; Messrs. Harry Curtner, Harold Prehn, Teddy Argo, Otto Spain, Robert Creely, Warren Ray, Carl Curtner, L. C. White and Scott Wallis.
