**That New Dairy.**

Last week we sent out an appeal to the good housewives of this city, soliciting their desires for an up-to-date dairy for Hayti. The returns have not been very propitious, however, many have spoken to us on the street, and are in favor of the venture.

Again this week we appeal to the people of Hayti to voice their sentiment whether they want a dairy or not. The party informs us that if sufficient patronage can be obtained he will give them the best. Now, people of Hayti, it is up to you to act.

Do it now.  
Get that postal card from your postmaster and let us know your sentiment. Do you want it?  
Don't delay any longer. The time is limited.  
Act now.

Quite a storm visited this city last Friday afternoon at about 3:30 o'clock, lasting several hours. During which time it worked havoc among the beautiful shade trees on the school campus, tore huge limbs off trees at other places, also uprooting a big walnut tree on the north side of the residence of J. L. Dorris Jr., and felling it across on the corner of the porch. We know of no other damage.

The crowd that forced the nomination of Taft four years ago by methods universally denounced as high handed, unfair and dishonorable in the extreme, are the same fellows that forced the nomination of Hughes. Four millions Progressives repudiated that crowd in 1912. What was wrong in 1912 cannot be right in 1916.

**GALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE**

**"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and Doesn't Salivate or Make You Sick.**

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
