Ads that Will Add

to your sales is what you want—and what you will get if you advertise properly.

Advertisements that reach your prospective customers is what you want as a most direct method of putting your products in the most effective manner before them.

YOUR LOCAL PAPER IS THE BEST MEDIUM THAT PUTS YOUR VERY WORDS BENEATH THE EYES OF THOSE WHO ARE LOOKING FOR JUST THE ARTICLES YOU MAY BE MARKETING.

Do not hesitate. A minute lost in advertising in days lost in the rising to prominence of your merchandise. We must show all people what we have to sell before they will buy.

The most practical way of showing them is to get them to the very spot.

And, the way to get them there is to ADVERTISE.

We are preparing a large Christmas edition and every business house in Hayti and Caruthersville should have an ad therein. We intend to publish this specially prepared edition on Wednesday, December 18th, so that the merchants can tell the people what they have to sell during the Holiday season. This edition will be read not only by our regular Thousand Paid-in-Advance Readers, but by more than Five Thousand people in Pemiscot County. Come in today, or send for our representative, and let us show you what we intend to do for your benefit, and explain why you should take advantage of this unusual enterprise.

The first man and team to cross the new bridge over the big ditch on the new Kennett-Caruthersville State Highway was G. H. Ross, who drove four mules and one horse over the new bridge, Monday. He drove his team across the west ditch on a barge and he crossed the big ditch and the East ditch on the new bridges. He was moving a crew of Southern Pole and Piling Company timber workers from this side to the East side of the three Little River ditches to a point near Yama. Mr. Ross said that a road would be cut at once from the East bridge northeast about one mile and a half to Yama, which would allow teams from this side to transfer to Drag City, Pascola and Hayti.—Kennett Democrat.

Pain
Here is a message to suffering women, from Mrs. Kathryn Edwards, of R. F. D. 4, Washington Court House, Ohio. "I am glad to tell, and have told many women, what I suffered before I knew of Cardui and the great benefit to be derived from this remedy. A few years ago I became practically helpless..."
TAKE
Cardui
The Woman's Tonic
"I was very weak," Mrs. Edwards goes on to say, "and could not stoop without suffering great pain... Nothing seemed to help me until I heard of Cardui and began the use of it... I gradually gained my strength... I am now able to do all my work." If you need a tonic take Cardui. It is for women. It acts gently and reliably and will probably help you as it helped this lady.
