IN AND AROUND TOWN

Dallas Stroup is spending a few days over at Caruth, visiting.

Pat Murphy is all smiles. It's a boy. Mother and baby doing well.

John Kosner said goodbye to his friends and departed for Fort Smith, Ark. Luck to John.

The Singing Convention of this county met in Hayti Sunday. A good crowd was on hand. Splendid singing by the classes from Denton, Hayti and Tennessee. Every one report a good time.

Both churches dismissed services Sunday morning for the singing convention. Pastor Newsom of the Methodist church delivered the welcome address.

Some of the Denton singers remained over Sunday evening to attend services at the Baptist church. Thank you. Come again. We are glad to have all visitors while in town come to see us.

On account of the Fifth Sunday Meeting to be held with the Dry Bayou Church, there will be no preaching at the Baptist church Sunday morning, but there will be services at night as usual.

We are glad to note the improvement in our Sunday school work. Brother Sanders is a model superintendent. We invite the parents to attend so that you may know of the good work being done for your children.

Some talk of a singing school in Hayti soon. **GOOD IDEA.** Where you find good singers the church work will move out with rapidity. This is a move in the right direction. One teacher was heard to remark while here Sunday, "these Hayti voices are as good as I ever heard; how I would like to train them up just a little." So we want to give him a chance to develop this talent.

The Baptist preacher became overheated Sunday; was all knocked out in the afternoon, and the question in the minds of the people is, whether he got too warm speaking or was it from over exertion at the noon hour. Anyway, people will be skeptical about many things.

Interested in Film Productions to Be Made at Methodist Celebration at Columbus, O.

DR. JAMES E. CROWTHER AND D. W. GRIFFITH.

The support of the motion picture world as represented by D. W. Griffith, well known film producer, was assured the Methodist Centenary Celebration at a conference in Columbus, the celebration being represented by Dr. S. Earl Taylor of New York, Dr. J. E. Crowther of Seattle, Dr. Fred Fisher of New York and Dr. C. F. Reischer of New York.

Mr. Griffith, in addition to promising to make a film of all important features of the Centenary Celebration, strongly urged the use of motion pictures in the advancement of religious work. He spoke strongly of the possibilities of the motion pictures under proper supervision being made to carry a religious message further than any known form of communication.

Dr. S. Earl Taylor, director general of the Centenary Celebration, made the statement that "we want pictures that talk the universal language I believe the message of peace and good will should be preached to the world through pictures."

"I am glad to know they are going

to give motion pictures a practical demonstration at the Centenary Celebration," said Mr. Griffith. "The celebration will give the people in towns and villages a wonderful opportunity to visit the entire world by going no further than Columbus. There will be an extraordinary impression produced by seeing these villages of China, Japan and India not peopled by imaginary actors, but inhabited by real natives from foreign lands."

"I have been astounded beyond measure at the breadth, extent and scope of the entire scheme as it has been revealed to me by Dr. Taylor, Dr. Crowther, Dr. Reischer and others. I understand the Methodist Church has \$140,000,000 and is going to celebrate its success with something more nearly resembling a world fair than anything else to which it can be compared. One would think that a great nation at least is behind the movement. Doubtless, something greater than the greatest nation is behind it—a reawakened ideal and faith inspired to bind up the wounds of a torn and outraged world."

Columbus Can Well Accommodate All Who Attend Methodist Celebration Officials Say

NO CROWD which has been proposed for the Methodist Centenary Celebration will swamp Columbus, according to Mayor George J. Karb, who has received some inquiries from distant points regarding the ability of the Capital City to take care of the hundreds of thousands of Methodists coming from all over the United States for the Centenary Celebration, June 20 to July 13.

Mayor Karb says: "Columbus has always been equal to any situation. We are not going to fall the exposition crowds, no matter how many thousand there are. Tell them to come to Columbus town. We are ready with open hearts and open doors Columbus can do it."

James T. Daniels, secretary of the Chamber of Commerce, says: "We can easily and satisfactorily accommodate three hundred thousand visitors." Organizing Secretary H. B. Dickson says: "Three hundred thousand my minimum estimate of attendance. Confident Columbus can take care of twice that number."

Collection of Indian Curios at the Methodist Centenary Celebration

HAT has been pronounced the greatest private collection of an curios in America has been ed to the Methodist Centenary bration at Columbus, O., by H.

W. Palm, an Indian trader of Ortonville Minnesota. Mr. Palm is here shown with some of his interesting relics.

Indian exhibitions will have a considerable place in the Celebration. Pueblos will unconcernedly mold pottery before throngs of curious spectators, just as their grandfathers did before the white man invaded their lands. Navajos will weave rugs and St. Regis make baskets—all actually living in their native homes, be they pueblos or wigwams.

NO SEATS RESERVED

First Come, First Served, at Coliseum at Methodist Centenary

At a conference of Director General S. Earl Taylor, Dr. Fred B. Fisher, H. B. Dickson and other members of the Centenary Exposition staff, it was decided that there will be no seats reserved in the Coliseum for "The Wayfarer" pageant presentations at the Methodist Centenary Celebration, Columbus, O., June 20-July 13.

All seats will be available to spectators as soon as the doors of the Coliseum are opened each evening. "It will be a case of 'first come, first served,'" says Mr. Dickson. Season tickets to the exposition grounds admit the bearer once to the pageant in the Coliseum. Single admission fees at the gate require an additional fifty cents for the Coliseum evening feature.

B. OF R. C. IN HAYTI SUNDAY

The Brotherhood of Railway Clerks of Chaffee Local No. 1079, for the convenience of several of the members of their order who could not be in attendance for the meeting at Chaffee, met in the I. O. O. F. Hall in this city Sunday afternoon.

There were about twenty-five members in attendance, from different stations of the River and Chaffee Divisions. There are seven clerks in this city who belong to this order. The meeting was quite an enthusiastic affair, looking towards better working conditions and better efficiency for the company.

After the order of business was concluded a delightful luncheon was served and those from other stations went away highly pleased for the delightful hospitality shown by the members of this city.

This organization is in its infancy, being organized something like six months ago. But if the enthusiasm of the organization of the present time continues it bids fair to bring about much good for the company and its clerical force.

Mrs. Will McCumber and little son left on the early train Sunday for a two weeks' visit with the former's mother and sisters in Dunklin county.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off. When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy, and never sore, tender or irritated.
