

News that Interests Men, Young Men and Boys

Who Care for Individuality, Distinction and Quality which is Featured in the New Hart Schaffner & Marx Clothes.

The Tailored in New York Way

EVERYBODY TALKS ABOUT "SERVICE;" IT'S A GREAT WORD. The trouble is, so many people who use it don't understand it and so many people who hear it, don't stop to think what it ought to mean.

We begin serving you when we buy the goods; we buy Quality Clothes, the kind

Hart Schaffner & Marx

make clothes that give the greatest possible values

HERE'S WHAT HAPPENED. SINCE WE BOUGHT OUR FALL stocks, wholesale prices have advanced; everything is higher. These clothes we have here are worth \$5 to \$10 more a garment. We could increase our prices that much. Merchants who are buying now have to do it.

But we don't want to do business that way; we bought these goods for you and you're entitled to all the saving over and above a fair profit to us.

Boys' Clothes as Good as Fathers'

We are pretty proud of this achievement; to be able to offer boys' clothes made by

Hart Schaffner & Marx

It's our policy to always be trying to give greater and better service and we've certainly "put over" a big thing.

Boys can have the quality tailoring and style that their fathers and big brothers get. And boys need it and want it; so do their parents; we'd like to show you.

HOT POINT ELECTRIC IRONS. LEFLERS, Hayti.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

PASCOLA NEWS

R. C. Surridge made a flying trip to St. Louis last week.

Little Marvin Thiery has the chicken pox. There are several more cases in town.

Glenn Bales, who is now at Campbell, visited home folks Saturday and Sunday.

Mrs. Geo. McElyea was called to Portageville on account of the death of a sister Saturday.

Gordon Drury and Miss Anna Pepples of this place were quietly married in Caruthersville Sunday. But Monday night the young people made them a visit with cow bells, dish pans and tin cans, and were taken down to Roland's, where refreshments were served. All best wishes were made for their future.

HOUSE COMMITTEE REFUSES SEAT TO BERGER

WASHINGTON, Oct. 25.—Denial of a seat in the House of Representatives to Victor Berger, Milwaukee Socialist, who is under conviction for violation of the espionage law, was recommended today by a special House committee.

Representative Rodenberg, Republican, of Illinois, filed a minority report, recommending delay.

W. E. Hardin and sister, Miss Winnie, both of Puryear, Tenn., were here Monday visiting their cousin, Mrs. J. S. Newsom, of the Methodist parsonage. Miss Hardin is a nurse recently returned from overseas.

WATERWORKS BOND ISSUE, 197 TO 11

The election held in this city last Friday for the purpose of voting \$15,000.00 in bonds to establish waterworks system was carried by a big majority, the vote being by wards as follows:

Ward 1: Yes 105; no 3.
Ward 2: Yes 92; no 8.

It is shown that a majority of 186 was given for the issue.

No plans have been made by the city administration so we are informed, regarding the site of the plant.

Mayor Brannon states that work on the system will probably begin early in the spring so that by the middle of next summer we may have some fire protection.

The cost of high living will be more noticeable when the expense "investigating" committees are presented.

GRADE SCHOOL NOTES

Some good results are being obtained at our school now. We are over very good condition to work. Our outbuildings and pumps have been put in a sanitary condition and also our basement cleared of a horrible dirt and odor. We are now receiving a good supply of coal and stove fixtures. Our windows and flues are all fixed. We are giving our library a good overgoing. Our floors will be oiled soon and our playground made level. We are ready for the best of work.

The eighth grade girls are showing quite a bit of strength at basket ball. Two games have been played with the high school girls and one score not being had we were led to believe that we will some time be numbered with those who win victories.

We want to work. If we can serve you better let us know. Help us get results.

Honor roll will come in next issue.
