-Tom Allen who is working on the Springfield, Mo. Democrat, gave us a pleasant call last week, on business.

-The young gentlemen of Marble Hill enjoyed a splendid supper at E. O. Sander's hall, Thursday eve.

-Not often, but occasionally, the son is almost an exact copy of the father. Young James Garfield is said to much resemble his father, the dead President, and in manners, voice and methods reminds his friends of the paternal likeness.

-Ciphering matches (what ever they are) and spelling contests are very much in vogue in the district schools of Madison county.

-Gent's and ladies' shoes at Drum's, from the cheapest to the best. Come and examine my goods and learn my prices before purchasing elsewhere.

-There was not any formal observance of Thanksgiving day at this place, and but for the blue back almanac, few would have known that Thursday was a national holiday.

-Since the first day of October there have been reported to the health department of St. Louis 1,000 cases of typhoid fever. Many attribute it to the filthy public water.

-The sultan has 300 wives, the king of Dahomey 250, the shah of Persia 400, the king of Siam 600, the king of Ashantee 3,000 and the emperor of Morocco about 6,000. Some men have queer notions as to what constitutes a queer life.

-There are some people in this part of the earth who will never awake from the Rip Van-winkle slumber into which they have fallen until Gabriel blows his horn, and then they will be surprized at the progress they have made, no doubt.

-The eagerness with which the ladies have sought and bought Mrs. Jaques' millinery and furnishing goods is proof that her prices as well as goods are popular. Don't miss seeing her new goods. Eight per cent. taken off every hat bought before Dec. 15th.

-The matrimonially inclined ladies have only got one more little short month in which to avail themselves of the opportunities which leap year affords for getting a loving "hubby." Procrastination is the thief of time, girls, and don't you forget it.

-A stranger from Illinois was crushed to death in the rail road turn table pit at Poplar Bluff last week. It is not known whether it was a case of self-destruction, or whether the man, whose name is Henry H. Potterfield, fell into the pit while drunk, and was unable to call for help.
