Missouri Baptist Sanitarium.

909 Taylor Avenue, St. Louis.

A Brief Sketch of the Nature of the Sanitarium Work.

The Missouri Baptist Sanitarium is legally chartered and in the hands of fifty men and women, among the strongest and best that the Baptists of Missouri could select. It is founded on business and benevolent principles, and is a combination of all that is good in a sweet Christian home, hospital, health resort and medico-surgical institution. In the account of the good Samaritan, we have, first, an inn; second, a patient; third, the helping hand, who endowed the patient during his illness; and fourth, the means of conveying the patient to the inn. The Lord approved this foundation Sanitarium work, and said "Go thou, and do likewise." The Sanitarium is the same thing on a larger scale; will you join us in doing "likewise"?

This institution has proved to be a blessing to a number of our people. Many, if they only knew it, would avail themselves of the opportunity to be treated in a Christian institution by the best specialists of the various diseases.
