Weak Hearts. Are due to indigestion. Ninety-nine out of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, pushing it up against the heart. This interferes with the action of the heart, and in the course of time that which was but a simple indigestion becomes a heart disease. Mr. D. K. O'Kelley, of Booneville, Mo., writes: "I had stomach trouble and was in a bad state as I had heart trouble with it. I had had a doctor for about four months and it cured me."

YOUR KIDNEYS ARE THEY WELL? Unless they are, good health is impossible. Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned. Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others are all due to disordered kidneys. A simple test for kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops. FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results. If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well. Some Prominent Testimonials. Dr. G. A. Sander, a merchant of Tappan, Ill., writes: "FOLEY'S KIDNEY CURE is doing with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such." Had Lumbago and Kidney Trouble. Edward Frazz, a well known business man of Baltimore, Md., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."

Obituary.

Howard Black, the subject of this sketch, was born in Tennessee November 26, 1833, and in 1853 he moved with his family to Bollinger county, Mo., and after living at various places he finally settled at Lutesville, near Advance, where he died July 3, 1903.

Grandpa was ever a consistent and exemplary Christian, as all who knew him can testify.

Grandpa's trials, tribulations and disappointments were great, but, like Goldsmith's Deserted Village, he "Allured to brighter worlds and led the way."

He left only three grandchildren and two great-grandchildren to mourn his departure, but their loss is heaven's gain. What a joyful reunion on the golden shore when he met, in the Spirit world, his dear ones who had gone before, where all may sing praises to the Lamb.

His remains were laid to rest in the cemetery at King's Chapel on July 4.

He was the last of his generation and had known Lincoln, Gen. John A. Logan, Douglas and others.

He was a member of the Independent Order of Odd Fellows and was in good standing at the time of his death.

Sleep, grandpa, sweet sleep be thine, We sorrow to give thee up; Yet it was in God's own time. Though 'round your breast The thunder-clouds have spread, Eternal sunshine settles on your head.

Below I append and request that you publish, under this obituary, the following in memory of our dear grandpa.

DIED—On the 25th day of March, at his home on Goose Pond Hill, Harcot, wife of Howard Black.

Deceased was born October 1, 1830, in Franklin county, Illinois, and in July, 1853, she united with the Mt. Pleasant Baptist church in her native county. She ever lived a consistent christian life setting an example worthy to be followed by all who knew her.

She leaves a husband, three small grandchildren and a host of friends to mourn their loss.

"Sister, thou wast mild and lovely Gentle as the summer breeze, Pleasant as the air of evening When it floats among the trees. Yet again we hope to meet thee When the day of life is fled, Then in Heaven with joy to greet thee Where no farewell word is said. Grandpa and grandpa you have left us To dwell on that blissful shore, And to meet my darling baby, Heaven bless you evermore. Mrs. BERTHA M. SPEER. (Our friends will please bear in mind that our space is limited and when writing obituaries for publication they will send a favor on by governing themselves accordingly.—Ed.)
