By Senator Buford: Empowering sheriffs and constables to enter buildings and confiscate liquor that is shipped into local option counties for the purpose of being sold in defiance of law.

WEAK BACKS MADE STRONG.

Backache in most cases is kidney-ache, and usually accompanied by irregularities of the urine. To remove the pain and weakness, you must cure the kidneys. Do so with Doan's Kidney Pills.

Mrs. Rosa Weimann, 1927 Greenwood Terrace, Chicago, Ill., says: "So intense were the rheumatic pains in my back, I felt like screaming. They gradually became more severe until they ran all over my body. I could not sleep and could hardly move. I steadily grew worse until I could scarcely open or close my hands. No relief was obtained until I began using Doan's Kidney Pills. Soon I felt better and ere long the pain left."

Remember the name—Doan's. For sale by all dealers, 50 cents a box. Foster-Milburn Co., Buffalo, N. Y.

THIRST.

"Of all the tortures I should think the most terrible would be to be awfully thirsty where no water could be secured."

"Why water?"

Rheumatism Advice

Gives Prominent Doctor's Best Prescription—Is Easily Mixed.

"Get one ounce of syrup of Sassafras, compound and one ounce of Tor's compound. Then get half a pint of good whiskey and put the other two ingredients into it. Take a tablespoonful of this mixture before each meal and at bed time. Shake the bottle before using." This is not new in this city as many of the worse cases of rheumatism and backache have been cured by it. Good results come the first day. Any druggist has these ingredients on hand or will quickly get them from his wholesale house. Any one can mix them.

Exhorting the Ducks.

There are two tiny boys in this town whose mother sings often to them at their request, and as she is an ardent church woman, the children hear as many hymns as anything else. The other day they were playing with their wooden ducks in the bathtub, and strangely enough the ducks were more inclined to float sideways than in the approved manner. After several attempts to keep the misguided ducks straight, the older boy shouted: "Stand up, duck, stand up!" Then two-year-old, noting the familiar phrase, leaned over the tub and exorted: "Tand up, duck! Tand up for Jesus!"

Brought the Tears.

An unusual incident marked a recent fire in New York. The fire started in the cellar of a five story tenement and before it was extinguished the 18 families in the building and all the firemen were weeping copiously from inflamed eyes. In the cellar many bags of onions had been stored. The chief fireman allowed the tenants to remain in the building, assuring them that the fire was confined to the cellar. They did not stay, however, when the onions had got well afire.

Home and School.

Home and school are two different spheres and have of necessity different duties to perform and different work to accomplish in the training and teaching of the child. But unless the ideals are the same and unless there is a systematic attitude of mind between parents and teachers, the best result cannot be achieved and the child must suffer.—Mrs. E. L. Franklin, Secretary Parents' National Educational Union, England.

Kind but Careless.

John P. Irish, the San Francisco editor and officeholder, was entertaining Joaquin Miller, the poet, one night. Upon hearing a particularly funny story by the host the poet fell off his chair in a paroxysm of mirth.

Irish thought the poet had a seizure of some kind and he rushed to the sideboard, took a bottle of whisky and stuck the top of it into Miller's mouth, hoping to revive him.

Presently Miller waved his hands feebly and Irish removed the bottle. "What is it?" asked Irish solicitously. "Remove the cork!" whispered the poet, hoarsely. "Remove the cork!"—Saturday Evening Post.

Want Swimming at 92.

"The Grand Old Man of Hightgate Ponds," William McKenzie, long known as "grandfather" by his fellow members of the Hightgate Lifebuoys club, has passed away at his North London home. He was in his ninety-third year.

Up to six weeks ago Mr. McKenzie was bathing in Hightgate Ponds, where he had bathed for many years. His unflagging regularity at the age of 92 probably constitutes a record in navigation. A Helpless Invalid

Restored to Health by Lydia E. Pinkham's Vegetable Compound

A woman who is sick and suffering, and won't at least try a medicine which has the record of Lydia E. Pinkham's Vegetable Compound, is, it would almost seem, to blame for her own wretchedness. Read what this woman says:

Richmond, Mo.—"When my second daughter was eighteen months old I was pronounced a hopeless invalid by specialists. I had a consultation of doctors and they said I had a severe case of ulceration. I was in bed for ten weeks, had sinking spells, and was pronounced to be in a dangerous condition. My father insisted that we try Lydia E. Pinkham's Vegetable Compound, and brought me six bottles. I soon began to improve, and before it had all been taken I was as well and strong as ever,—my friends hardly recognized me so great was the change."—Mrs. Woodson Branstetter, Richmond, Mo.

There are literally hundreds of thousands of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering.

Read what another woman says:—

Jonesboro, Texas.—"I have used Lydia E. Pinkham's Vegetable Compound for myself and daughter, and consider it unequalled for all female diseases. I would not be without it for anything. I wish every mother in America could be persuaded to use it as there would be less suffering among our sex then. I am always glad to speak a word of praise for Lydia E. Pinkham's Vegetable Compound, and you are at liberty to use this testimonial."—Mrs. James T. Lawrence, Jonesboro, Texas.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound had the virtue to help these women it will help any other woman who is suffering from the same trouble?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.
