turning Saturday night. They had  
a good time they all say.

move their sawmill to D. R. Sample's

sawing for him and Judge Sample.

near got caught out in the rain.

Lots of it won't make the seed that  
was put in the ground at sowing  
time.  
Corn is doing fine and looks fine.  
Most everybody got a fair stand  
and since the recent rains it is grow-  
ing fine.

looking fine. Everybody smiling—  
thinking there will be plenty of  
everything raised this year.
