Autos Meet Head-On

An automobile belonging to Charles Miller of Lutesville collided with the auto of J. G. Beck of Jackson Friday night on West Broadway, a short distance from the fairgrounds, with the result that both cars were badly damaged but with no serious injuries to their occupants.

The accident occurred about 8:30 o'clock. Miller with several others was on his way home after spending the day in the city. Beck and three others were driving to town to witness the parade and were hurrying so as not to be late. As they reached a point near the park, Beck speeded up to pass a car in front of him, and about the same time Miller, who was shielded from view by the car ahead, turned farther to the right. He swung to the right just as the Beck car rounded the other machine, and the two met head-on.

Both cars were Fords and were badly damaged, the left front wheels being torn off, axles bent and the steering gears broken. Beck had only had his car since last Wednesday, it being one of the new models, and the damages it received amounted to considerable. The cars were brought in about 11 o'clock last night and will be laid up in garages several days for repairs.—Cape Republican

Please permit me to address a few lines to you, in regard to things in our community, and take the liberty to choose that beautiful biblical quotation, "Do unto others as you would have others do unto you," as a caption for my communication.

As you might have understood from former correspondence, I am disabled and am physically unable to work on account of sickness and have sometimes been compelled to depend on charity and neighborly help, and I feel moved today to express my gratitude for another instance of the practice of the admonition of the lowly Nazarene when He gave the people the eleventh commandment.

Two of my daughters left August 31 for their aunt's in Chicago to make their way in the world. There was only fare for one, but some kind neighbor made the rounds for collection until there was enough money for the fare of my little daughter, Louisa.

Miss Maggie Devenport took them to the train, thereby moderating the painful moments of parting between parents and children, so I desire to express my most heartfelt and sincere thanks to all the good people who lent a helping hand in these charitable affairs. May God bless them all thru their own children.

I assure all they have secured the warmest and best place in the hearts of some northern mothers by their kindly acts toward my children and it gives me great pleasure to report to all who know me and my daughters that the girls arrived safely Friday morning, September 1, and there was a happy reunion between them and their sister Marie, who arrived from Chillicothe the day before. Marie's aunt was greatly surprised and delighted with the splendid training she received at Chillicothe.

With many thanks to all who assisted me and my daughters I remain your most humble and thankful
A. BAUMAN.

Prominent Progressives Surrender

Scores of republicans and progressives are dropping into state democratic headquarters daily and offering their services to the committee in broad daylight, the triumphant reelection of President Wilson and putting Colonel Gardner into the executive chair of the state by an overwhelming majority.

Notable among these was yesterday was Percy Stone, a leading St. Louis business man, who until 1912, was one of the most active republicans in St. Louis. He espoused the cause of Colonel Roosevelt when the party split, and was one of the founders of the progressive party in Missouri, being made a member of the state committee.

"I am here to surrender," said Mr. Stone. "Not half way, but all the way, for I shall do all in my power for the success of both the democratic national and state tickets. I cannot understand how any progressive who was actuated by principle when he left the republican party can vote for Judge Hughes or endorse the republican platform of 1916. I shall vote for President Wilson, as I believe every lover of his country should do. He has stood the best test. Colonel Gardner shall have my earnest support. He is a business man and will give Missouri a business administration."

Welcome, Mr. Stone.

Big Grey Eagle Captured

A grey eagle measuring eight feet from tip to tip was captured Friday by Ed Davis near his home on the Commerce road, two miles northeast of Barton. The eagle had just made an error, as a thirty-five pound shot, belonging to Mr. Davis when he was wounded by a rifle shot, by using a forked stick which he placed over the bird's neck and with the assistance of his dog Ed succeeded in capturing the eagle but not until it had gotten the best of the dog in a fierce fight. Besides killing a pig the eagle had devoured \$10 worth of chickens. Ed caged the bird and brought it to town, where it attracted much attention. The eagle weighs thirty pounds. It has a ravenous appetite and will devour a chicken in a very few minutes. An English sparrow makes only a meal for the bird.—Barton Democrat
