THE ELECTION IS OVER NOW

and whether or not you got your preference, you must buy Clothing, Shoes, Groceries Etc., for yourself and family and the question is where you can get the most and best quality of merchandise for the least money? If you have been a customer of this store any length of time we have no fear of how you will decide the matter for we are sure that the courteous treatment, low prices and excellent quality of our goods will appeal to and hold you as a regular customer, but if you have not traded enough at our store to fully realize the kind of treatment we accord all with whom we deal we ask that you treat us fairly by coming to our store during this Sale and giving us an opportunity to prove to you that our claim to be the best trading point in Bollinger county is true. Be fair to yourself and to us by giving us a chance to quote you prices on anything you may need, before buying. We have more goods than any other store in the county and can supply your wants at the lowest possible figures. *Try us and see if this is not true.*

Sale begins November 18, and closes the last day of the year

Ladies' and Children's Cloaks

We have had exceptionally fine weather so far this fall, but you know it is usually calm before a storm, so we may reasonably expect cold, bad weather before many days. Your wife and children should be provided with some of our good, serviceable and comfortable coats before the bad weather begins—and there is no reason why they should not be—for we have almost any size and any priced garment in this line you could wish for.

See this big line of Real Bargains before you buy. They are eyeopeners.

Men and Boys' Hats and Caps

Other stores in this county look like the north star does to the full moon in comparison with our line of this goods. We can fit any head, any pocketbook and any taste in Hats or Caps. We sure do shine in this line. Come in and see how bright we are.

Pratt's and International Stock Foods

and veterinary remedies will go at a bargain. It will pay you to look after your stock for they are too valuable to neglect.

Dress Goods

Dress Goods

"Talk is cheap," so are the prices on our entire large stock of Dress Goods. We can not duplicate the goods in the market at the prices we are selling this lot of goods, but we are giving our customers the benefit of these bargains and making new friends by doing so. If you don't believe we have the goods and at prices you can't duplicate elsewhere, call and let us show you. We are in dead earnest and mean to show you that we are.

Children's Caps and Sweaters

Our stock is large and complete and we can make your little ones comfortable this winter for very little money. If you don't believe this, come in and see our big line.

Comforts and Blankets

You know how uncomfortable one is if cold in bed and you can not get any rest while in this condition. You don't deserve any sympathy however when we are almost giving away Comforts and Blankets. Just come in and price them.

Millinery

Millinery

We have sold a mammoth stock of ladies' and children's Hats and Caps this fall, but we have a few nice, up-to-date Hats left and in order to clean out the stock entirely we are offering them

At and Below Cost

They won't last long at the prices we are making on them, so if you want one you should not wait.

Shoes

Shoes

We have always tried to be able to supply our customers with anything they might desire in the Shoe line from the most classy to the best in everyday work shoes, and we now have a larger stock than ever before, so we feel sure that we can fill your wants more satisfactorily than ever. Save a doctor's bill by keeping your feet warm and dry, thereby economizing and save money on your shoe bill by buying from us—thus twice saving money. We also carry an exceptionally large line of the famous "Ball" and "Bulldog" brands of rubber footwear and we are making especially attractive prices on them. See how low we stick the prices before you buy.

Gloves

Gloves

Do you know that gloves are no longer considered a luxury. They are a necessity. Anyone can do better work in any line if their hands are in good condition and if the skin is hard and cracked open, you simply lose enough in a few hours time through inability to turn off your work right, to pay for gloves to shield them several weeks. Think of this from a business standpoint and then come in and let us fit you out with any kind you desire.

Overcoats

Overcoats

We have the largest Stock and greatest variety of Overcoats on hand we have ever bought any season. In order to push these goods out we are offering special inducements in the way of low prices to our customers. They are rare bargains—see them.

Groceries

Groceries

Did you ever stop to think that there is lots of difference in groceries? Many merchants keep such goods on hand until they are stale—absolutely unfit for human beings to eat. Our stock is changing every week—no week passes that we fail to receive a large consignment of fresh groceries—therefore we never hesitate to guarantee such goods to be as fresh as can be found in the market.

Trunks, Suitcases and Grips

We have a few left that we are offering at a bargain. Come in and see us before you buy.

14 Pounds of Sugar for \$1.00 with every \$5.00 purchase

We will be pleased to have all our old friends call at our Store any time and would like to become acquainted with many others. We are in position to sell you goods cheaper and pay higher prices for your produce than ever before. Then, why not bring us your Turkeys, Chickens, Geese, Ducks, Eggs, Butter, Lard, Potatoes, Hides, in fact anything you may have to sell. We are in business to trade and we must move our goods out.

Let us know when you have any Sheep, Hogs, Cattle, or other live stock to sell. We are in the market for it.

Yours for business,

Taylor Mercantile Co.,
