#### To the Public:

Bollinger county failed to reach its quota of \$291,520.00 in the War Savings campaign. We are short \$150,000.00. This fact does not reflect any credit on Bollinger county. The situation is so serious that the United States Government demands that a special meeting be held at Marble Hill, Mo., on Sunday, July 28, 1918, at 1 p. m., sharp.

As a patriotic citizen you are ordered to set everything aside and be there. You should also use your influence in your district to get the people to attend this meeting.

A special representative of the United States government will address the meeting.

Yours for action,

F. M. Wells,

Chairman of the War Savings committee of Bollinger county.

#### Camp Dodge, Iowa

Company M, 350 Inf.

June 24, 1918.

Dear Editor: I will try to write a few items for The Press altho I don't know much to tell this time, but will do the best I can to let the people hear from we Bollinger county boys who answered the call to the colors May 27.

It was sad indeed to leave our loved ones, but we all hope to return to our homes some day. Our country needs our services and we are here to do our best.

Oh, you slacker, you must be painted yellow, for you are no good for yourself or your country.

As far as I know about the boys in

the barracks they are doing fine. Some of the boys in Company M have been transferred, but I haven't learned where they went.

We are having lots of rain up here and it looks like it would rain to-day. You people ought to see we boys with our uniforms on. We think we look fine.

There are about 250 men in our company and believe me we have a time. When we drill we work like bees in the spring of the year and when we are through drilling we sometimes play baseball basket ball and other games that keep us in good spirits.

Some may think Uncle Sam don't feed his boys but that is a mistake. I have had plenty to eat since I have been in the service.

Well, I haven't said any thing about the Red Cross yet, but I can't praise them too highly for the care they are taking of me here in the base hospital, I have been under the care of a doctor twelve days and do not ask to be treated any nicer. Do your best for the Red Cross and, also do not forget the Y. M. C. A. for they are a great help to we boys.

As news is scarce, goodbye. Let me hear from you. W. S. Thurston.

#### A Piano At a Nominal Price

We have just learned that Lyon & Healy, the great music house of Chicago, are disposing of a warehouse full of pianos and organs. Some of these instruments are being sold at even lower prices than were usual before the war. We advise any of our

readers interested to write to Lyon & Healy for a list of these bargains. Among them are pianos by such well-known makers as Steinway, Weber, Steck, Lyon & Healy, Fischer, Kraksauer, Washburn, and a host of others. Among these pianos are rebuilt instruments of special styles. We think it likely that responsible readers can arrange for monthly payments if they do not wish to pay cash. The opportunity is such a good one that it would be well to write for a list today. Adv.

#### Notice to Persons Interested in Naturalization Laws.

The naturalization laws approved May 18, 1918, make it unlawful to issue a declaration of intention during a period of thirty days preceding the holding of ANY election in the jurisdiction of the court. There will be a state primary election in this state on August 6, 1918.

Therefore from July 6, to and including said election day, declarations of intention may not be lawfully issued by the clerk.

On November 5, 1918, a general election will be held. All naturalization—that is, the filing of declarations of intention, and the final hearing on petitions for naturalization—is prohibited by law during the thirty days preceding said general election.

Frederick F. Mahoney,  
Clerk of the Circuit Court in and for Bollinger County, Mo.

Stings or bites of insects that are followed by swellings, pain or itching should be treated promptly, as they are poisonous. Ballard's Snow Liniment counteracts the poison. It is both antiseptic and healing. Price 25c, 50c and \$1.00 per bottle. Sold by all druggists.

#### Big Demonstration for Soldier Boys

Monday a crowd estimated at from 2000 to 2500 people gathered here to see the eighty-three soldier boys depart for Camp Funston and wish them God-speed on their mission to help make the world a better place on which to live and a more Christ like one in which to die for future generations.

Hon. W. A. Leoffler of Lutesville and Arthur T. Brewster of Ironton made appropriate patriotic addresses to the large crowd and later Attorney Rush Limbaugh of Cape Girardeau made an excellent talk. The morning passed pleasantly for all present, no disturbance of any kind occurring and many old friends meeting and enjoying themselves.

About 12:30 o'clock headed by the soldier boys who were leaving for camp, with Oscar Robinson of near Patton as captain, the crowd marched to Lutesville and at something like 2:00 o'clock the train arrived and we were all proud of the clean, sober and many boys Bollinger county placed in Uncle Sam's care for service in the great cause.

We should all be grateful indeed that our county is blessed with a young manhood which does not shrink even in so serious a cause as the present one. May they return to spend many happy years in the country for which they are so cheerfully offering their ALL, is our prayer.

People were here from every part of the county, and not a few from adjoining counties.
