A Big Celebration

Will be given between Lutesville and Marble Hill on July 3rd by the business men of the two towns.

They have given both their money and time to secure for you, absolutely free, one of the biggest days entertainments ever given in Bollinger county.

We have secured for you the famous aviator, Leonard McMullin of Sikeston Aero Co., who will arrive at Lutesville early in the morning and stay with us all day. While here he will do the following stunts; one of his men will leap from the aeroplane at a height of four thousand feet while the plane is going at a high rate of speed, and land with a parachute. The plane will loop, spin, barrel and roll, in fact do all the latest stunts known to aviation.

In addition to this wonderful feat we have secured the famous Frisco Band of Chaffee, Mo., to furnish you with all the latest and snappy music of to-day.

We have also secured two of the best speakers the country affords, a democrat and a republican, who will give you all the latest tips on politics both, democratic and republican. There will also be an extra big picture show at night. Plenty of refreshments and other small amusements on the ground.

Now the business people of the two towns are giving this to you free and all we ask is, that both old and young come out and spend the day with us in celebrating and rejoicing over winning the greatest war the world has ever known, and being the healthiest and wealthiest people in the world today.

We are going to expect you. Don't disappoint us!
