Our young friend Ernest Farnsworth of Springfield, Mo., has our thanks for an invitation to attend the commencement exercises of the Southwest Missouri State Teachers college, Springfield, Mo., Wednesday, July 28, to August 3, at which time he will graduate. We would be very glad to be present if it were possible to do so. We congratulate our young friend and feel sure he has won this distinction by his industry and meritorious conduct.

If it's work gloves you want, go to Taylor Mercantile company.

Bernie has another newspaper the Bernie Progress, by T. S. Gregory. It is a newsy and fairly well patronized by the business interests of the town and it is hoped that the future has in store for the Progress better things than its predecessors experienced. Success to you, brother, but "Jordan is a hard road to travel" just now.

Rev. B. M. Shacklette has resigned his pastorate with the Baptist church here, as also his position in the faculty of Will Mayfield College, both to take effect August 9. We understand he has a position in a school at Buies Creek, North Carolina, and that he will move there in a short time. This is anything but pleasant information to the many friends Professor Shacklette and his family have made in their short stay in our town, all of whom will very much regret to see them move away.

Farm Wanted

Wanted to hear from owner of farm or good land for sale. Must be priced right. Address L. Jones, Box 551, Onley, Ill.

"WHERE SHALL WE GO?"

"Let's go," we say, then are at a loss as to the place. We want a cool, comfortable place where we can be sure of something good to eat and drink, and get good service. It doesn't take long to answer the query with "to Jones's Ice Cream Parlor".

David Bollinger, eldest son of Mr. and Mrs. Forrest Bollinger who moved from here to St. Louis some years ago, came down the first of the week and is visiting at the home of his uncle, Judge F. M. Wells, and other friends and relatives here. He and Judge Wells made this office an appreciated visit and Mr. Bollinger subscribed for The Press, placing himself two years in advance. He impressed us as being an excellent young man and from the fact that he has a responsible and lucrative position in a railroad office, we infer that he has the confidence of his employers.

S. M. DuLaney for Representative

I filed for the Republican nomination for Representative of Bollinger county, and at that time did not anticipate any opposition in the Primary.

I have been too busy all summer in my crops to make a personal campaign, so I am taking this means of soliciting the support of my party, and of thanking my friends in all sections of the county for their kindly encouragement given my candidacy.

If nominated and elected, I will devote to the duties of the office the very best efforts of my life, and will endeavor to make for all the people of my county a safe, conservative, and efficient representative.

Sincerely yours,

S. M. DuLaney.

Hon. Robert Drum was called to St. Louis the first of last week on account of the illness of his sister, Miss Mary Drum, who died July 22, and Mr. Drum accompanied the remains to Cape Girardeau, and from there to New Salem, near Daisy, where the funeral and interment were conducted Sunday. Miss Drum had been almost a helpless invalid from her girlhood, and after the death of her parents made her home at different places, her father having made provision for her maintenance, her brothers assisting, until the last year or two when she moved to St. Louis to an institution for the aged and infirm, where she passed away at the advanced age of 73 years. She was a member of the M. E. Church, South, having professed faith in her Savior at an early age, and was a devout Christian, and there is no doubt that her change was a happy one, as she often expressed herself as being in waiting for the Master's call.

Mrs. Asher Harris Killed by Lightning

During the rain and electrical storm that passed over this part of the country last Saturday evening Mrs. Asher Harris, who resided about six miles west of Glen Allen, was killed by a bolt of lightning. She was in the smokehouse at the time and one of her children with her. The child was rendered unconscious for a time, but does not seem to have suffered anything worse. Mrs. Harris was about 38 or 40 years of age and leaves a husband and two children to mourn her sad and sudden departure. The funeral sermon was preached by Rev. Haryey at McGee chapel Sunday afternoon and the remains were interred in the cemetery there.

G. F. Hopkins Store

I do not believe with Ingalls that "Opportunity knocks but once at each mans door". I believe it knocks often, but after while a man becomes so satisfied in his rut that he does not hear the knocks. I believe a man loses his courage to grasp opportunities, and that he allows fear to drag him to failure, while cou-

rage would lift him to success. This store offers you an opportunity to save money by giving you a better quality for the same money, or the same quality for less money than others can afford to give. You should take advantage of it by going to the old rut and trade here.

Men's Blue work shirts \$1.00 and up. Men's Blue work shirts \$1.75 and up. 1 lot Designer's waists \$1.00 to \$1.75.

1 lot Orgrad... waists going at 98c

Just arrived, a special lot of young men's hand tailored, latest model SUITS. The same quality you see advertised in the Sunday papers at \$65.00, my price only \$50.00, an opportunity to keep \$15.00 in your "inside pocket". Other suits, all wool, some as low as \$18.00, remember this store is the leading clothing store in the county, carries a larger and more up-to-date line than any other store. That it will not sell you a suit that does not fit perfectly. That it can fit almost every man or boy regardless of size.

I am giving away Aluminum ware to those who pay cash, as to those who trade with me, you may try. Come in and let me explain it. You can save big money on your auto casings, tubes and accessories. Special prices on Goodrich casings: 30x34 Squeezee Tread \$20.85 30x3 " " 16.88

Don't let some profiteer make you believe that they are "Seconds". They are not, the factory stands behind them on a basis of 6,000 miles. The above prices are for cash, no charge sales except at regular list prices.

I have some 30x2 Rio tread, slight seconds going at \$12.50. All "Seconds" are so marked.

A fancy Rio Flat Bean Coffee going at 25c per lb. A fancy Santos Pea Berry at 40c. These coffees are the same quality other stores charge 10c per lb. more for. Your money back if it is not true, and to be the judge in your own case.
