at Washington has raised the Marble Hill office to the third class and the salary to \$1300. To those who know something about the amount of work that is required in the office this is nothing more than should have been done some time ago. Mr. Yount has had one of the biggest kind of jobs to keep up the work in his office, especially during the days of the strenuous war work, and he certainly deserves the increase in salary.

If the baby suffers from wind colic, diarrhoea or summer complaint, give it McGee's Baby Elixir. It is a pure, harmless and effective remedy. Price 35c and 60c. Sold by all druggists.

Jesse D. Hawn of El Reno, Okla., who is visiting relatives and friends in the county, was in Marble Hill Monday shaking hands with friends and acquaintances. He was a welcome Press visitor and renewed his subscription to his old home paper. Mr. Hawn was born and reared in Crooked Creek township and spent the best of his life on a farm near Patton, but moved to Oklahoma several years ago. He tells us that crops in Oklahoma are the best they have had in ten years.

For Sale.—Fine, 3-year-old Durham bull, weighs about 1200 pounds perfectly gentle, and is not breachy. First hundred-dollar offer takes him. John Vandeven, Leopold, Mo.

The preliminary trial of Cecil Phillips, which was held before Squire Murray's court here last Saturday, and he was bound over to Circuit court in the sum \$500. It will be remembered that young Phillips cut up a young Reed the night of July 26. The trouble came about thru some uncomplimentary remarks that had been passed between them—all unnecessary and without rhyme or reason. One of them came very near losing his life and the other is in the toils of the law for the commission of a crime. The trial brought a large number of people to the county seat from that part of the country, a few miles west of Glen Allen.

Will Mayfield College

Will open its 42nd year, August 30, 1920.

We have secured for our faculty, so far, college graduates. We have been able to secure teachers experienced in the departments in which they teach.

Mr. Ellis has been a superintendent of city schools for years. Mr. Grimsley has been a teacher of science and mathematics in the leading schools of western Missouri for a number of years. He is doing research work for the Standard Oil company in Kansas City at this time. He is a graduate of the University of Missouri. We all know of his good qualities and long to see

him in our town and school. Mrs. Fields has been a teacher of English and Latin four years in High schools. She has made a signal success in the work and we feel complimented that we are able to get her for the work here. Dr. J. I. Ayers needs no recommendation. We had him as our baccalaureate preacher some years ago and he has been a teacher in the South for twenty years. In fact we are going to have a faculty well qualified for any thing that may come. These are the new members of the faculty, but not all the new ones that will be employed. We have others who have not closed with us yet, but will soon. We will try to have them for next week's issue.

Write Will Mayfield College for a catalogue and any information you may desire.

Obituary

While seated upon the beautiful white throne of God Saturday eve July 17, 1920, the death angel opened the book of life and recorded the name of Mrs. Elizabeth Harris, who was born March 18, 1884; died July 17, 1920; aged 36 years, 4 months and 29 days. Her abode on earth was short.

She was converted and joined the Miller chapel Baptist church and lived a faithful worker for the cause of her Master until the Lord saw fit to call her home.

She leaves a kind and loving hus-

band, two children, three brothers, seven sisters, a father and many other relatives and friends to mourn her untimely departure.

To know her was to love her. She was a kind and loving mother. A true and faithful companion. 'Tis sad to give her up, but Thy will be done, not ours. Weep not dear husband and relatives for our loss is Heaven's gain.

"A link is broken in our household band, But a chain is forming in a better land."

"A precious one from us is gone. A voice we love is still;

A place is vacant in our home That never can be filled."

The pearly gates were open, A gentle voice said, "Come";

With her farewell unspoken, She calmly entered home.

Death our dearest ties can sever, Take our loved ones from our side

Bear them from our home forever, O'er the dark, cold river tide.

'Tis sweet to be remembered, 'Tis sad to be forgot;

But this I say, dear mother, I will forget thee not.

The funeral services were conducted by Rev. A. J. Harvey and the remains were laid to rest in the McGee cemetery to await the resurrection morn.

Her Daughter.
