MAYFIELD DEFEATS FREDERICKTOWN HIGH 39 TO 0

The first football game of the season was played on Kinder's field last Friday afternoon between Will Mayfield College and Fredericktown high school, which proved to be a signal victory for Will Mayfield. Coach Clark's team made it possible by their variety of plays. Fredericktown succeeded in penetrating Mayfield's line at times with line plunges, but lineup of the two teams was as follows: Fredericktown—E. B. Cohoun, center; *Burl Wulfert, right guard; Leo Price, left guard; Clyde Wray, right tackle; Fred Combs, left tackle; Carl Cole, right end; Jap Perring, left end; Roy Kinder, r half back; *Phil Cohen l half back; Joe Combs, quarter back; *Arie Murray, full back; Mayfield—Carey Jenkins, center; William Davault, right guard; Troy Pierce, left guard; Henry Tanner, right tackle; Percy Hahn, left tackle; Les Center, right end; Fred Kinder, right end; *Eugene Taylor, r half back; Amos Hardy, l half back; Al Linder, quarter back; Wallace Hart, full back; *Substitutes: Frederic Lewis Bruce for Murray, H. Combs for Cohen, Mayfield—William Sullivan for Taylor.

Following is the game by plays: First half, first quarter—Wray kicked to Davault on 30-yd. line, Davault carrying the ball for 10 yards, Mayfield fumbled and lost ball on 40-yd. line, Fredericktown took the ball for a series of line plunges, making a 10-yard gain, Fredericktown was penalized for off-side, fumbled the ball on their next play and lost on their 60-yd. line, Mayfield then line plunged for a 2-yard gain and then followed a pass from Hart to Hardy for a 30-yd. gain, Mayfield lost the ball on downs, Fredericktown attempted two forward passes and line plunges and lost five yards for off-side, Mayfield attempted a forward pass on Fredericktown's 25-yd. line, but it was intercepted, Hart made a long end run for a touchdown and Linder kicked goal.

Linder kicked off to Cohen on Fredericktown's 20-yard line, Fredericktown made 10 yards on line plunges, the referee's whistle ending the quarter on Fredericktown's 30-yard line. Second quarter—Fredericktown gained 2 yards on line plunges and lost 5 yards on an attempted end run, losing the ball on downs, Mayfield made two incomplete forward passes, Hart then made a sensational end run for a touchdown, jumping over a Fredericktown player who was lying on the ground after an attempted tackle, Linder kicked goal.

Cahoun fumbled and recovered Mayfield's kick-off, Fredericktown was held on the 50-yard line for three straight downs, The referee blew his whistle ending the first half of the contest, the score being 14 to 0, Mayfield holding the long end, The Mayfield students showed their appreciation of the lead made by their colleagues by marching on the field and demonstrating an artistic snake dance, E. C. Abernathy and Milford Riggs, cheer leaders for Mayfield, sponsored the picturesque carnival. Abernathy cre-

ated an uplifting atmosphere by his "aeronautic" stunts.

Second half, third quarter—Linder kicked to Perring on Fredericktown's 20-yard line, Perring was downed in his tracks, Two line plunges were attempted followed by a successful forward pass for a 20-yard gain, Fredericktown attempted two more passes and punted from 40-yard line to Linder, who carried it back to Fredericktown's 40-yd. line, Hahn carried the ball for a long run around right end gaining 20 yards, This run was followed by a variety of plays, Taylor carrying the ball over for a touchdown on a line plunge, Linder failed to kick goal.

Mayfield kicked off to Price on 50-yard line and he carried the ball to Fredericktown's 40-yd line, Fredericktown attempted two line plunges and a forward pass and then punted to Linder, who carried the pigskin to Fredericktown's 1-yard line and then carried the ball for a touchdown on a line plunge, also kicking goal, Mayfield kicked off to Wulfert on 40-yard line, the referee's whistle stopping the play and ending the quarter.

Fourth quarter—Mayfield lost the ball on downs on Fredericktown's 40-yard line, Fredericktown likewise lost the ball on downs, Hart made a quick pass over the line to Sullivan, who carried the ball for a touchdown, Mayfield kicked off to Kinder who carried the ball to Fredericktown's 40-yard line, Fredericktown advanced the ball for a gain of 15 yards on line plunges when the referee's whistle ended the conflict.

Much enthusiasm was displayed throughout the contest by loyal Mayfield supporters, That evening the visiting team and the Athletic association of Mayfield were entertained at the Franklin club at their hall, Everyone enjoyed themselves and the punch especially, George Clark, Mayfield's coach, will wager anyone five dollars that he consumed more punch than any other three guests, At ten o'clock the club quartette took it upon themselves to sing "Goodnight Ladies" which had a marked effect on all present, Thus ended a perfect day for Mayfield.

The Fredericktown boys displayed good sportsmanship thruout the game and kept on fighting until the end, even after Mayfield had mopped up a score of 39, The Mayfield boys are looking forward to another game with Fredericktown and expect just as interesting game and a more closely contested one.

BOLLINGER COUNTY NEEDS A FARM BUREAU

The Farm Bureau is an organization of farmers which co-operates with the federal department of agriculture and the college of agriculture of Missouri and to which they appropriate \$1500 a year to each county which has such an organization and employs a specialist in helping the farmers of the county in handling their problems. What are some of these problems? They are marketing, transportation, legislation, taxation, soil fertility, better live stock, dairying, planning and spraying an orchard, poultry culling, cow testing, seed testing and treatment for diseases, better community life, boys' and girls' club work, testing soil and advice as to the kind of fertilizers to use, the use of better live stock and to help find good sires, many others too, but best of all to make a county a better place in which for farm folks to live a life so that the young folks will want to make homes and stay in that county. Does Bollinger county need a farm bureau? Well, I was born and raised in that county and feel I have a right to help answer this question. Here are some of the things a Farm Bureau could do for this county. It could help put a better class of live stock in this county and it is so well adapted to stock raising and dairying, yet the quality of the stock is poor. There is room for several herds of pure bred cattle here to supply breeding stock. The cows in the dairy herds if tested would show that most are not profitable. Yet, while in the county two days last week many men asked me where they could buy registered stock. Here we find the secret to why many men do not have better stock, they like all farmers are busy on their farms and do not have time to get out and find it. This would be your agent's business. The county is a fine poultry district, but many of the hens do not pay their board. It would be the agent's duty to go where called and show you how to cull these out. The use of lime on much of the soil in the county would help you grow clover and alfalfa, yet few men have time to work up a community club to get a crusher though you have wonderful deposits of high test lime rock. Thousands of dollars are being wasted annually in buying commercial fertilizers which have very little value. I found a man with a load of fertilizer on his wagon and he had wasted enough money on that load to pay his Farm Bureau dues for at least two years yet he nor the dealer knew he was wasting money. Your agent's business would be to test your soil for lime and fertilizer and help you buy what you need and at a price in line with its worth. The farmers of this county will more than pay for the cost of an agent this year in the money they waste on fertilizer alone. There should be cooperative shipping associations in this county as next month the state Farm Bureaus of Missouri, Illinois, Tennessee, Mississippi, Arkansas and Iowa will open their own commission firm at East St. Louis and this will mean that the farmer will go all the way from his farm to the packer, butcher or feeder and sell his stock and all it brings less the actual cost, will be returned to the producers. Farmers waste a lot of their work and money by using poor seed and then lose more by disease and insect pests, yet they do not, in most cases, know what to do. Your agent would have this technical knowledge and could help you in these. This is a good soil for fruit and is well known for the quality of strawberries produced, but it also could be made famous for many varieties if there was more spraying and pruning done. Most men do not know what to use as a spray or when to use it. Then the work in the various local communities in whatever problem appeared would be the agent's work. How much would it cost? Each farmer joining, \$5 a year. What would be done with the money? Fifty cents would go to each of the national and state Farm Bureau organizations which work on such problems as opening the markets of the world to the farmer's products; taxation, the defeat of the Sales Tax bill re-

Lutesville News

Bert White and family of Greenville arrived here Monday to visit his brother-in-law, Fred Shelton, and family, on Dry creek. Peter Seabaugh of near Mayfield was here Monday after some roofing.

Mr. and Mrs. B. Mabrey went to Whiteswater Monday to visit a few days.

A J. Masters and Will Lincoln of Hurricane went thru here Friday in their cars. They were on their way to Clarkton and were accompanied by some cotton pickers.

Charley Miller and family moved to the Ed. Grant property last week.

M. M. McCullough of Lutesville died about 12:30 o'clock Tuesday morning, October 4, at the home of Charley Stilts near Lodge. Mr. McCullough had been out at his farm near Lodge for about a week digging potatoes and doing some other work. He was apparently in good health and his death was so sudden no one knew he was in any danger whatever. The funeral was conducted by Rev. T. H. Jenkins at the Baptist church in Marble Hill Wednesday afternoon and the remains were interred in the Hahn chapel cemetery. He was 64 years, 4 months and 25 days old.

Linus C. Englehart died at the hospital in Cape Girardeau, Wednesday, September 28, following an operation for appendicitis. He was taken to the hospital Monday, September 26, and was operated on the same day, but his death occurred Wednesday. The body was brought back to Lutesville last Friday and the funeral services were conducted at the home by Rev. J. C. Harvey, after which interment took place in the Hahn cemetery. He leaves a wife and one son besides several other relatives and a host of friends, who have the sympathy of the entire community.

The body of Dehon Jones, son of Mr. and Mrs. J. F. Jones, who was killed during the late war—September 28, 1918, arrived at Lutesville yesterday. The Burial-Cramer post of the American Legion took charge of the body at the train and the remains were interred with military honors in the Dry Creek cemetery.

Mrs. M. L. Lenz of Kennett is here helping Rev. and Mrs. N. B. Henry with their moving.

Miss Belle Smith of Paragould, Ark., is here visiting her sister, Mrs. Sarah Crafton.

Mr. and Mrs. Joseph Vangonon, Jr. of Dongola were trading with our merchants Tuesday.

Henry and Oda Seabaugh of Patton spent Tuesday night at the home of Wm. Barks.

Mr. and Mrs. Francis Stevens of Scopus were trading here Tuesday.

Mr. and Mrs. C. A. Walker went to St. Louis Sunday.

Mrs. George Carter and baby of St. Louis came down Monday to visit Jess Hahn and family out on Possum creek.

Emmett McWilliams of Doe-Run came down Monday to attend to business here and in the vicinity of Hahn.

Tony Landewe of Leopold marketed some fine corn here Monday.

Mrs. George Mouser arrived in Lutesville last Wednesday from Springfield, where she was visiting her son and family when the news reached her of the sudden

death of her father, M. M. Day. Mr. Mouser and the children came over from their home at Bufordville Tuesday. Miss Bettie Hickam returned to St. Louis Monday, after visiting her aunt, Mrs. Lizzie Russel, and others here a couple of weeks. S. B. Mason of St. James is here looking after real estate interests. Miss Bessie Taylor, who is teaching the Cane creek school, spent the week end with her parents, Mr. and Mrs. Pink Taylor, here. Emerson Eaker of Cairo, Ill., visited his parents here last week. He was accompanied home by his grandmother, Mrs. Burkett, who has been in Cairo visiting her son, Edgar Budkett. Mrs. R. W. VanAmburg left Sunday to visit her son Lee and wife and from there she intends to go to Commerce to visit her daughter, Miss Selma, who is the 7th and 8th grade teacher at that place. Mrs. Alma Sherr and baby girl of Dexter are here visiting her mother, Mrs. Jane Day. Mr. and Mrs. Bryan Zimmerman and daughter Lucille spent the week end with Mrs. Zimmerman's parents, Mr. and Mrs. Jess Englehart. Word has been received here from Mr. and Mrs. Jack McClendon that they arrived at their new home in Oklahoma City, Okla., and think they will like it fine. Mrs. McClendon was formerly Miss Bessie Day of this city. Rev. N. B. Henry has returned

We've Found a Better Way To Do Our Riding
