HOPKINS STORE TO INCORPORATE

To Be Known as The Twin City Mercantile & Milling Co.—To Be Capitalized at \$10,000 of Which \$25,000 Has Been Subscribed.

The C. F. Hopkins department store is to be incorporated with a capital stock of \$10,000 within the new future. More than \$25,000 has been subscribed to date.

The new company will be known as The Twin City Mercantile & Milling Co. and will operate a four, corn meal and feed mill in connection with their extensive lines of merchandise. It is also the intention of the new firm to handle complete lines of building material, farm implements, furniture, dry goods, groceries and clothing.

The capital stock is divided into 1000 shares of par value of \$25

each which will be sold to the citizens of this and adjoining counties. One offer of a purchase of a \$2000 block by an outside man was refused because Mr. Hopkins and other members of the firm prefer to keep this stock among its patrons. Following is the list of names of those who have already subscribed for stock in the new firm: F. M. Wells, Prof. A. F. Hendricks, L. J. Grimsley, O. W. Young, George Davault, Walter Murphy, Fred Filer, D. E. Hahn, Mrs. Ollie Cunningham, Ed Lutes, A. P. Crader, Morris Ledbetter, S. D. Aubuchon, Otis Hahn, Otto Reutzel, Philip Schriener, O. M. Hopkins, C. F. Hopkins and Della R. Hopkins.

BECKINRIDGE LONG WILL WIN NOMINATION

All Indications Are Good Will Be Buried Under an Avalanche in Spite of Republican Interference—Democracy's Protest.

Jefferson City, July 24. That Beckinridge Long will win the Democratic nomination for U. S. senator by an overwhelming majority on August 1, is the consensus of opinion of authentic rural

BECKINRIDGE LONG

ports received here from Democratic leaders and newspapers in every county in the state.

There are some rural sections in the state which pile in leads from 5 to 1 to 10 to 1 in favor of the former assistant secretary of state. Some of the Democratic leaders place Long's majority at between 75,000 and 100,000.

During the last ten days of the campaign Long has been greeted by many thousands of voters, his crowds far outnumbering those of his opponent. It is noticeable that Long has steadily gained ground in every county and also in Kansas City and St. Louis.

When Long appeared in Kansas City for a two-day tour he was greeted by a noon-day crowd of more than 1,500 Democrats, men and women. He was introduced by Col. George English a veteran of the World war. The tremendous crowd which turned out to hear Long evinced surprise and showed that he would get a large vote irrespective of the organization.

Conservative Democrats credit

rural Jackson county to Long's column, the candidate having finished the tour of the county with a speech at Independence.

The former assistant secretary of state was also greeted by enthusiastic crowds on his tour of Jasper and Greene counties. When he rose to speak before a large crowd at Springfield he was cheered for five minutes.

The supporters of Long have been quite active for him in St. Louis and it is certain now that the city will swing into the Long column.

Real Democrats of the state intend to work hard every day until the primary in order that Long's apparent majority will be increased.

WILL MAYFIELD BOARD HOLDS REGULAR MEETING

The board of trustees of Will Mayfield College met Tuesday, July 25. A quorum was present, the out-of-town members being L. W. Wuestner of Fredericktown, Judge H. S. Green of Hannibal, Prof. S. Douglas of Cape Girardeau and Dr. Mifflin Riggs of Trenton.

A report of the year's work was read and discussed. All members seemed well pleased with the year's work and especially the summer work. Plans for added equipment and general enlargement of the school were discussed.

The community is hoping that this year will be a banner year for the institution. There is not another community so small as ours in all of Missouri that can boast of a junior college. The school is doing accredited work and should inspire all local citizens in this county to work for its advancement.

Will Mayfield College is getting on the hearts of the people and is destined to be one of the great schools of Missouri. Every loving father and mother who desire that their children should have the very best opportunities should realize that through education in Christian schools are they to be obtained.

People of limited means can afford education at a very reasonable cost. Why not take advantage of these opportunities?

Eastern Star Ladies will serve hot lunches and cold drinks on court house grounds on election day. Your patronage solicited.

Mr. Wells has been with the bank for nearly 28 years and has resigned to accept a position as professor of rural extension at the Missouri College of Agriculture and Forestry.

When the Bollinger County Bank was organized Mr. Wells, always interested in the welfare of the county, was actively concerned in the institution and became its president.
