Property owners on Main street, between Themis and Harmony, had better have their property well covered by insurance.

The editor of the little sheet around on Main street came here to see the work on fire. He has not yet succeeded in that big job, but he has taken up the town on fire, and had it not been for the crew on the steamer Idlewild there is no telling how much damage would have been caused by the last fire.

Saturday night Joseph Lynch, of St. Louis, stepped into an open cellar door at Fletche & Wood's store and was badly but not seriously hurt.

Down in New Madrid the grocery merchants are selling twenty-two pounds of sugar for a dollar. Here in this city when a firm advertises twenty pounds of sugar for one dollar the other merchants say, "those fellows are crazy."

Two more weeks and the doors of all our educational institutions will be closed and the students will leave for their respective homes.
