## ANNOUNCEMENTS.

**FOR CITY MARSHAL.**  
We are authorized to announce  
J. ADAM WEBER  
As a candidate for the office of City Marshal, subject to the action of the city Republican nominating convention.

There is one candidate for City Marshal in this city who parts his hair in the middle.

Col. Lindsay Murdoch of Marble Hill, will be an applicant for a position under the incoming administration.

The Merchants' Exchange building in St. Louis was destroyed by fire this Wednesday morning. The fire originated in an elevator.

A bill has been passed in the House and Senate at Jefferson City making it the law for all executions to be made in the Penitentiary instead of at the place where a criminal is tried.

The Legislature of Missouri costs the tax-payers of the State one hundred and three dollars a minute for every day the lawmakers are allowed by law to draw their pay.

Gen. Harrison, at the age of sixty-six is the father of a brand new daughter. Age seems to cut no figure with some men in their efforts to replenish the earth.

There is going to be a grand rush from Southeast Missouri for places under the McKinley Administration. There are more than a dozen statesmen now making an effort to be first to get to the pie counter.

The party man who works hardest for his party is seldom rewarded for his services. The "noncompoops" of the party generally slip in and get the pick of the good things.

Norman A. Mozley wants an office from Uncle Sam, but Norman A. Mozley will not get what he wants. His foretop reaches down too near his eyes for him to get anything that an intelligent man can take care of.

A newly rich Englishman sent this order to a bookseller: "I have sixty feet of shelving. I want ten feet of poetry, ten feet of history, ten feet of science, ten feet of religion, the same of novels and fill up the rest with any kind of books."

Maj John L. Bittenger of St. Joseph has been selected as Minister to Switzerland to succeed John L. Peake of Kansas City, who will resign when Cleveland turns over to McKinley. Major Bittenger is a Pilley later and his appointment is another black eye for De Ole Man.

The new ballot law which is before the Kansas legislature provides that a petition for a place on the official ballot must have the signatures of at least 2,500 voters. At present only 500 signatures are required on such a petition. This change will have the effect of keeping small bodies of reformers out of politics.

The new marriage law in Argentine provides that every male from the age of 20 to 30 shall pay a tax until he marries, and shall pay it once a month. There is also a provision to the effect that young unmarried persons of either sex who shall, without sufficient reason, reject the address of those who may aspire to their hands and who continue contumaciously unmarried shall pay 500 piasters for the benefit of the young person, male or female, who has been so refused.

One of the observers in the press gallery has been watching Mr. Speaker of late. He reports: Mr. Reed takes frequent rests by calling members temporarily to the chair. But yesterday, for instance, was given over to motions for suspensions of the rules. He was afraid of what might come up, so he would not trust another member with the responsibilities of the chair. Hour after hour of this ceaseless and monotonous strain wears out even his Titanic vigor. He becomes worn and abstracted. He is often jolly, and shakes with laughter in the chair, but now he is severe and formidable. The consulting clerk at his right had has to tell him what the motion is. The weariness of rising to put motions is telling upon him, and by the time he brings down his gavel at 5:30 o'clock to declare the house adjourned, he would be about as dangerous for ordinary approach as a Kansas cyclone or a Rocky Mountain grizzly.

The Kincardine, Ont., Review is authority for the following: A southern Manitoba man who moved to Montana a few years ago started back a short time since and left the following farewell on the wall of his Montana shack: "Four miles from a neighbor, sixteen miles from a post-office, twenty-five miles from a railroad, fourteen miles from a school-house, forty-one miles from a church, 180 miles from timber, 200 miles from a Canadian, half a mile from water, a quarter of a mile from hades, the same distance from a blood-thirsty half-breed. "God Bless Our Home." Gone back to Manitoba, which is God's country, to get a fresh start."

The first president of the United States hadn't a trace of the jingo in his make-up. No man in all our history has more impressively inculcated the duty of cultivating peace (his own words) with the other countries of the world. But he was not a preacher of the doctrine of non-resistance, nor was he a sentimental optimist. On this, his birthday, we quote briefly from President George Washington's fifth address to the congress. "The United States," he said, "ought not to indulge a persuasion that, contrary to the order of human events, they will forever keep at a distance those painful appeals to arms with which the history of every other nation abounds. There is a rank due to the United States among nations which will be withheld if not absolutely lost, by the reputation of weakness. If we desire to avoid insult, we must be able to repel it: if we desire to secure peace one of the most powerful instruments of our rising prosperity, it must be known that we are at all times ready for war."  
—Hartford Curant.

IN VACATION, FEBRUARY 2, 1897.

NOW on this day come the plaintiffs herein by attorney before the undersigned Clerk of the Cape Girardeau Court of Common Pleas, within and for the County of Cape Girardeau and State of Missouri, in vacation, and file their petition, verified by affidavit, stating among other things that the defendants, F. D. Alexander, Florence M. Alexander and Thomas L. Alexander are non residents of the State of Missouri. It is therefore ordered by the Clerk of said Court aforesaid in vacation, that publication be made, notifying them that an action has been commenced against them by petition in the Cape Girardeau Court of Common Pleas in Cape Girardeau County, Missouri, the general object and nature of which is for partition and division of the following described real estate, situate in the City and County of Cape Girardeau and State of Missouri, to-wit:

Part of lot number one in range D, in the City of Cape Girardeau designated as lot 5 of said lot 1 as partitioned by commissioners appointed to partition the real estate of Franklin Cannon, Sr., among his heirs. Said lot is specifically described as follows: Begin at the northwest corner of lot number one of range D, in the City of Cape Girardeau and run south with the east line of Main street 22 feet, thence east 67 feet parallel with the north line of lot number 1 to the middle of said lot, thence north parallel with the east line of Main street 22 feet to the north line of lot number 1, thence west with said north line 67 feet to the point of beginning. Among the plaintiffs and defendants, according to their respective rights set forth in their petition, filed in this cause, and that if partition cannot be made in kind, to have said real estate sold and the proceeds of said sale divided among the parties according to their respective interests, and that unless they be and appear at the next term of this Court, to be holden at the court house in the City of Cape Girardeau, State of Missouri, on Monday, the 25th day of May, 1897, and on or before the third day thereof (if the term shall so long continue, if not, then before the end of the term) and answer to the petition hereof. Judgment and decree will be rendered for partition of said real estate among those entitled thereto according to the finding of said court, and if the real estate cannot be divided in kind without prejudice, then the Court will order the said real estate sold.

It is further ordered that a copy hereof be published in the Cape Girardeau DEMOCRAT, a newspaper published in the City and County of Cape Girardeau, for four weeks successively, the last insertion to be at least fifteen days before the commencement of the next May term of this court. A true copy.
