The wheat speculators are leaving
the wheat pits and turning their at-
tention to the pig pen. The farmers
are the luckiest people on earth.

When the Missouri boys get to Cuba
we will bear from them. Missouri
furnished some of the best soldiers
we had in the civil war.

The stories of the good work being
done in Jefferson City by the new
whiskey cura institution may be over-
drawn. The papers there mention the
fact that the water works company
has recently removed its headquarters
to an up-stairs room.

Statesmen who are obstructing the
war appropriations in the senate are
not opposed to the war itself. Not at
all. They are merely opposed to
supplying the means to carry it on.
They believe the government should
do its fighting with wind, like they do
theirs.

Now that our Uncle Sam has the
Philippines, the old gentleman is
somewhat perplexed as to what he
shall do with them. Dewey evidently
thought they would make a first-class
Spanish grave-yard.

Uncle Sam will send an army of
soldiers to Cuba that will soon civil-
ize the Spaniards.

Vandiver will be the next Demo-
cratic nominee for Congress in spite
of the wily Democratic politicians.

Congressman Vandiver will have a
walkover for the Democratic nomi-
nation for Congress, but that will end
his walkover.

The Pops will not be around this
year helping the Democrats into fat
places. A burnt child is afraid of the
fire. The Pops have been burnt.

Sampson will slay the Spaniards
as his ancestor slayed the Philistine,
but not with the jaw bone of an ass,
as was the case with the old Samson.

The Prohibitionists of this state
have nominated a state ticket. Now
if the Populists would fuse with the
Prohibitionists they would be doing
the right thing.

The Republicans of Scott county,
in convention, last Saturday, instructed
for George M. Miley for Congress.
Mr. Miley is getting right in among
the river counties.

There is hardly enough party poli-
tics in the country now to keep a grass
fed presidential boom alive. And the
country doesn't seem to be at all wor-
ried over the shortage.

Judge Marshall seems to be the fa-
vorite candidate of all the corpora-
tions for Supreme Judge, and for that
reason he would be an easy man for
the Republicans to defeat.

So far there seems to be nobody
hankering after legislative honors.
Judge Sawyer, we understand, will
not allow his name to go before the Re-
publican convention this year.

The Democrats of Cape Girardeau
county are not for Marshall for Su-
preme Judge. Marshall is backed by
too many big corporations to suit the
Democrats of Cape Girardeau.

Last week was a good week for the
candidates to meet the people. Circuit
Court was in session at Jackson and
there was lots of button-holing going
on on both sides of the wire fence.

A gentleman writes us that he is not
pleased with the way the candidates
on the Republican side are coming
out for office. He says that Byrd
township is trying to hog everything.

The editor of the Jackson Cash-
Book is not pleased with the Republi-
can County Central Committee's ac-
tion in calling the Republican nomi-
nating convention so early. Too bad.

If Southeast Missouri has a mil-
lionaire that man is Charley Mathews
of Sikeston, Scott county. If Mr.
Mathews is not a millionaire he will
reach right in the neighborhood of the
million mark.

The report that the Republicans of
Scott county instructed for George M.
Miley for Congress is not true. No
instructions were given, but it is said
a majority of the delegates are for
George M. Miley.

There will not be much of a fight
in the nominations in the Republi-
can convention this year. The best
men in the party will go before the
convention, and after they are nomi-
nated they will be elected.

The people of Kelso are as mad as
hornets on account of the report cir-
culated that they raised eight hundred
dollars to aid Spain in the war with
the United States. They say there is
not a word of truth in the report.

The Republicans of Cape Girardeau
county will go into the campaign this
year to elect their ticket from head to
foot, and the Democrat who imagines
he is going to slip in this year is a
poor politician and a reckless prop-
het.

Spain twined the British lion's tail
and the roar was promptly forthcom-
ing. And now Spain is open for sug-
gestions as to the safest and most sat-
isfactory method of pacifying the
royal beast without coming within
reach of his paws.

Judge Riley, it seems, will have no
opponent for the Democratic nomi-
nation for Circuit Judge. There are sev-
eral Democratic lawyers who would
like to mash down on the wool sack
but they seem to be afraid to buck
against Judge Riley.

It is none of our business, but we
would like to suggest to the Democrats
of Scott county, that J. A. Hawkins is
the man they should elect to fill the
office of County Clerk. Mr. Hawkins
is a son of the late Judge David L.
Hawkins, who was a resident of Scott
county for many years and who was
one of the ablest Circuit Judges in the
State when he occupied the bench.

The friends of Dr. Franklin have
been urging that gentleman to allow
his name to go before the Republican
convention for the nomination for the
Legislature but after due consider-
ation the doctor has made up his mind
that he cannot afford to sacrifice his
professional business to make a canv-
ass for the Legislature and he there-
fore respectfully declines the honor.

The boys in blue will find no Bull
Run in Cuba.

Dunklin county still has a candi-
date in the field for a State office. The
office that Dunklin county wants is
that of Railroad and Warehouse
Commissioner, an office with a good
salary and little work.

If the Democrats could elect Dick
Hines to the prosecuting attorney's
office for another term, they would have
no show two years from now to elect
a man in the county. Dick has been
sending four or five Democrats to the
penitentiary every term of the Circuit
Court, and two years more in office he
would reduce the Democratic vote in
the county so the Democrats would
not have a ghost of a show at the
election.

In to-day's DEMOCRAT will be found
the announcement of Robert M. Saw-
yer as a candidate for Probate Judge.
Mr. Sawyer is a young lawyer of
ability, an honest and honorable
gentleman. He is the son of Hon.
John J. Sawyer, a better man or a
more faithful officer than he never
lived in this or any other county in the
State. If nominated Robert Sawyer
will be a strong man before the peo-
ple, and if elected he will make the
people an efficient officer.

In our announcement column to-day
appears the announcement of Edward
D. Hays, who is a candidate for Prosecu-
ting Attorney. Mr. Hays is a
learned young lawyer who is well
known to the people of this county.
A few months ago he embarked in the
newspaper business, but that business
does not suit him and he wants to get
into an office where he can prosecute
Democrats who go wrong, instead of
having to content himself with roast-
ing them through a newspaper. Ed is
a good fellow and if elected he will
make a splendid Prosecuting Attorney,
and he will prove a wholly terror to
evil-doers.

tiality and absolute reliability of its
