**WINE OF CARDUI**

**How a Woman Suffers.**

Howell, Ind., Nov. 26.  
I will always praise Wine of Cardui. It has done me more good than all the medicine I have ever taken in my life. Please send a book about female diseases to the ladies whose names I enclose.  
Mrs. MINNIE STODGHILL.

**WINE OF CARDUI**

It isn't necessary for a woman to give particulars. When she says she has "female troubles", other women know what that means. It means days and nights of endless suffering. It means headaches which no tongue can describe. It means that terrible bearing and dragging down in the lower abdomen. It means agonizing backache, and shoulder ache, and arm ache, and aches in the lower limbs. It means nerves on edge—the blues—despondency and loss of hope. It means debilitating drains that the doctors call leucorrhoea. It means martyrdom—sometimes even death seems preferable. And still Wine of Cardui will utterly put those diseases and pains to rout. It has cured thousands of cases when nothing else on earth would. To the budding woman, to the bride, to the wife, to the expectant mother, to those going through the Change of Life, this Vegetable Wine is a blessing.
