### JUST PICK-UPS

(Special Correspondence.)

What cold snowy weather!  
Robert Brewer is visiting his brother, James.

Well, I am glad Miss Nola Miller happened to be the lucky girl to get the piano; guess we will go over and hear her play some day, and say, they have their new house about ready to move into.

Drue Turner, wife and son were visitors at J. D. Rowland's Wednesday night and Christmas day.

Yes, I would like to get acquainted with you, Oklahoma. I may have seen you, though, but why do you take Oklahoma for your pen name—was that your native state?

Pansy, I am really surprised that you don't know me, as many times as we have been in each other's company. I am well acquainted with you. It is just such fine fun to have everyone wondering who I am.

I think from all reports we will soon hear wedding bells again from the actions of James Frye.

Ed Williams, wife and twin daughters were in Mansfield Saturday.

Well, Frankie, I am glad you are so fond of Sukey, for I myself like the way she writes—so interesting, you know.

Say, Gibbs, didn't you hear that fine tenor singing last first Sunday evening? If you had looked back where you might have seen Dinah.

Say, you all certainly missed a fine dinner and good time at W. R. Deaver's last week. The table fairly groaned under the load of good things to eat.

Wasn't it real nice that Mrs. Ernest Brentlinger favored the C.P. church with her nice singing Christmas eve and Sunday? It was appreciated very much.

Miss Claribelle Frye was on the sick list last week and this week, too; hope she will be better soon.

Mr. Kirk is able to go to town again; we saw him there Saturday.

Amos Roy's baby has been real sick about two weeks, but is said to be some better now.

Miss Ona Downing is staying at Amos Roy's.

Ernest Brentlinger and wife are visiting in and about Mansfield; they are from Illinois.

Well, it seems that Frank is faithful to fill his regular appointment at John Brentlinger's, doesn't it?

Cecil Marshall spent Saturday evening in Mansfield at G. S. Burney's at a party.

Wasn't the Masonic banquet fine? Such a nice supper they and the Star give their friends!

Elmer Ungles is making such good pictures. You ought to go and see his work and have him make your picture.

Mrs. James Brewer was a caller at Mr. Eldridge's Tuesday afternoon.

I guess Miss Verba Gaskill is not so much disappointed about not getting the piano when she got her a husband that day; may be she thinks that is better.

Ray Brentlinger came to Mansfield Tuesday morning from Oklahoma to visit relatives and friends for a few days.

Wm. Roper and wife went to Mansfield Saturday.

I hope everyone enjoyed Christmas and that Santa brought all a generous supply of presents. Dinah surely enjoyed herself as everyone did who went to Dennis town to the Christmas tree.

Well, I wish you all a Happy New Year and plenty of resolutions. Good night!

DINAH.

H. C. Russell, wife and baby of Altus, Okla., visited Col. L. O. Nieder and wife during the week.

### ON ROUTE NO. 2

(Special Correspondence.)

The Christmas holidays are over. Sukey hopes everybody had as good a time as she did.

Misses Lillie and Laura Rhoads attended the Christmas tree at Mansfield Wednesday evening.

Drue Turner's spent Christmas at J. D. Rowland's.

Ernest Brentlinger and wife arrived in Mansfield Tuesday night. They spent Wednesday at G. W. Miller's and Christmas at G. W. Brentlinger's. G. W. Miller's and J. W. Brentlinger's were also Christmas visitors.

We are sure Vinie Hale is enjoying Christmas because Robert Morris has returned for the holidays.

J. A. Riley and son Ogden, who have been sick, are better now.

Mrs. Paul Williams called at Amos Roy's Saturday afternoon.

Mrs. L. M. Roy and son, John, and Thomas Dean and wife visited at Amos Roy's Sunday.

Mrs. Paul Williams and children, those are Howard, called at J. A. Riley's Sunday.

Verr Williams's have just completed their new kitchen and this week they are enjoying a visit from Verr's mother.

Harley Stout and wife were at J. E. Edwards's Monday. Mrs. E. E. Marshall and son, Cecil, were there part of the day and helped with the butchering. In the evening Mrs. Marshall received a call from Mesdames Edwards and Stout.

Miss Rose Williams spent Wednesday night with Miss Leota Brentlinger.

Robert Letsinger returned home from Kansas to spend the holidays.

Jay Dennis's visited at J. W. Edwards's Wednesday. Sam Letsinger's and Harley Stout's also spent the day there.

Cecil Marshall attended the party at the home of Mayor G. S. Burney Saturday evening and reports an excellent time.

Miss Leota Brentlinger attended the Christmas tree at Mansfield and spent the night with Miss Bertha Miller.

We all wish to congratulate Miss Nola Miller on her success in the piano contest, and we are also glad Miss Lillie Rhoads was awarded the diamond ring in acknowledgement of her work in the contest.

Well, Franky, I'm glad there is some one who wants to make Sukey's acquaintance. Dinah seems to be the general favorite, doesn't she?

There is quite a lot of hunting in this neighborhood lately. Harley Stout while on a visit to J. W. Edwards's saw some tracks he thought were a 'coon's, but after he and Sam Letsinger had followed them several miles they found the object of their search to be a cat.

Mr. Tarbutton is still sawing lumber at Paul Williams's.

George and Robert Brewer are cutting saw logs to take to the mill.

Mr. Barlow's little dog was caught in one of the boy's steel traps recently, and succeeded in dragging the trap with him, and, as Mr. Barlow was trying to remove his foot from it, he bit his hand quite severely.

Roy Brentlinger returned home unexpectedly Tuesday morning.

SUKEY.

### Chronic Constipation Cured

"Five years ago I had the worst case of chronic constipation I ever knew of, and Chamberlain's Tablets cured me," writes S. F. Fish, Brooklyn, Mich. For sale by all dealers.—Adv.

M. E. Dennis has purchased of W. B. Hitchcock the property Mr. Hitchcock bought of Ben F. Ward of Laredo, and has moved thereto.

### SCHOOL NOTES

The attendance is quite good. Teachers and pupils all seemed glad to be back at work.

A few high school girls are absent on account of colds.

The seniors are studying a few of Longfellow's shorter poems.

The reading circle class met at Prof. Hylton's Tuesday evening. The subject discussed was, "The Grange and Farmer's Unions."

There were only two tardy pupils during the entire month of December; that is the best record we have ever made.

The junior class expects to give a play about Feb. 20.

The pedagogy class meets in Mr. Arnold's room before school each morning.

The advanced arithmetic class is spending a few days on interest problems.

We do not mean to be boastful but we do wonder where the pupils are getting more value for the money than they receive from the teachers in the Mansfield school.

If you cannot visit school sooner begin now to plan for being present the entire afternoon of Friday, Jan. 23.

The agriculture class is doing some excellent work in the study of soil fertility and the value of barnyard manure.

Maude Tarbutton, Roy Riley and Otto Brentlinger visited us during the first part of the week. We are glad to have the young people come but are more anxious to see the parents.
