LET'S go, let's keep going, let's go with a rush. Let's start Monday, March 23. We will start with you, we will keep going with you while the going is good. We feel now that we are going to live through the hardships of the drouth; we feel that we are ready to get up and hustle again. How do you feel? Don't you feel that the prospects are mighty good of prosperous times? Don't you feel that you will need a lot of new implements to help you make a big crop to make back what you lost last year? We feel that this is just what you need and have made preparations for your demands. As usual, we have bought large quantities of well-selected goods and bought them for the least possible price that money will buy goods of superior qualities such as we handle.

WE ARE GOING TO NAME OVER A FEW THINGS THAT WE BOUGHT IN CARLOAD LOTS. Now, listen! When we name them over, catch the idea, that when each article mentioned is bought in carload lots it means that we got THE PRICE when we bought them and we are going to make you THE PRICE when we sell them

2 carloads of Turning Plows, 1 carload of Disc Harrows, 1 car of Spike and Spring-Tooth Harrows, 1 car of Corn Planters and Drills, 1 car of Cultivators, 1 car of Mowers and Rakes, 1 car of Binders, 1 car of Manure Spreaders, 1 car of Sherwin-Williams Paints, 1 car of Horse Collars
Several Carloads of Buggies, Wagons and Other Goods

NOW, we are going to make it possible for every farmer in Wright, Texas and Douglas counties to save money by giving us your business, by selling you better goods for less money. Now, we have warned you several times before in regard to buying Farm Implements from anyone that is handling them as a side line, and told you that you would have trouble in getting repairs and that they would not give as good satisfaction as if you would buy Good, RELIABLE FARM IMPLEMENTS. Now we want to ask what few of you who bought from other dealers the past few years the following questions: Are the dealers you purchased of still in business? If they are, are they still handling the same line of goods that they sold you? If not in business, or if they have discontinued the line of goods that they sold you, if they are out of business, or have changed their line of goods, where have you been getting and where are you going to get repairs? How many of you have had to wait for repairs for anything you bought of NEIGHBORS BROS. even though we do sell 90 per cent of all the FARM IMPLEMENTS sold in Wright, Texas and Douglas counties? Isn't it a fact that fewer people have to wait for repairs? Isn't it a fact that goods bought of us need less repairs? Isn't it a fact that you buy the goods cheaper to start with? Isn't it a fact that if we charge you at all for repairs it is at one-half the price that other dealers sell you? Isn't it a fact that you ought to use good judgment and appreciate the prices we make you, the favors we show you, the quality of goods that we handle for you, that you ought to give us your business and your influence?

We Want Every Farmer in Wright, Texas and Douglas Counties to Visit Our Store the Week Commencing Monday, March 23, and ending Saturday, March 28 Our Ninth Annual Spring Opening

WHEN WE SAY SPRING OPENING YOU KNOW WHAT THAT MEANS. IT MEANS THAT MORE PEOPLE ATTEND OUR OPENING THAN ANY ONE EVENT THAT TAKES PLACE IN MOUNTAIN GROVE. IT MEANS THAT WE WANT TO DO SOMETHING TO INTEREST YOU. It means that if YOU visit our store, examine our goods and give them your most critical inspection that we will sell YOU what YOU NEED IN OUR LINE and that we will SAVE YOU MONEY and trouble by BUYING them of us

As a Special Inducement to have you visit us during our week's Spring Opening, we are offering you these coupons, good for the amounts designated on each coupon, to be used on purchases during our opening only. One coupon with each article purchased named in coupon. Remember, if you are going to buy this spring, by using these coupons during our opening it will be just the same as that much cash; besides the price will be less on every article than you will find elsewhere

Now Listen: We are making these Special Inducements; it's up to you to take advantage of them. We will have plenty of help to wait on you; music, picture shows and other things to amuse the children and ladies. Remember the Date:
