Ford

THE UNIVERSAL CAR

The most satisfactory and reliable features of motor car construction are found in Ford Cars. They are strong with the strength of vanadium steel, heat-treated by Ford methods. Useless weight is done away with and yet the light weight Ford carries more power for its weight than any other car. The Ford is practical and dependable in every way, and back of the car is the organization which has sold more than two million Ford cars. Runabout, \$478.64; Touring Car, \$494.03, delivered.

Commercial Club Meeting

May 22 or as near then as possible was set at the regular meeting of the Commercial Club of the City of Mansfield Monday night as the date for the visit to the local mining district by the members of the Young Men's Business Club of Springfield, who have expressed a desire to visit us in a body. The club donated \$15 to purchase something for the Red Cross auction, and the committee, Dr. J. A. Fuson, J. D. Reynolds and E. Trautmann, bought a pig whose sire is one of the famous Norcross herd of Poland Chinas. M. B. Alcorn presented the club with a sword picked up at Columbus, N. M., where a Mexican raid had been made, and this sword will be donated to the Red Cross auction.

DREER'S 1918 GARDEN BOOK

LET THIS NEW BOOK HELP YOU IN YOUR GARDEN
As it did thousands of amateur gardeners last year, by telling how to plant and cultivate every Vegetable and also the best kinds to grow. Its 256 pages are brimful of instructions and the four colored plates, four duotone plates, besides thousands of photographic illustrations enable you to see just what our seeds will produce. It also offers the choicest Flower Seeds, Roses, Dahlias, Hardy Ferns, etc., besides many things needed for Garden, Farm and Greenhouse.
You will need this book of reference many times during the season. Write today for a copy—sent free if you mention this publication.

So come at once and save 50 per cent on your hat or cap.—J. D. Reynolds.—adv

School Notes

The high school gave a program Wednesday, at assembly. They were assisted by Mrs. J. E. Craig and her brother, James Bell, who rendered some beautiful selections.

Miss Grace Craig is our honor graduate this year. She was followed closely by Miss Huldah Rippee, whose average grade for the year was but very little lower. Grace will be presented with a free scholarship which will entitle her to free tuition to either of several junior colleges.

Miss Hoover's room will entertain at assembly next week. This will be the last assembly for the year.

Although M. H. S. was well represented at Springfield, we did not win a prize in either contest. This was an excellent trip for the girls, and we hope that next year we can do better. Wouldn't it be fine to have a regular music teacher in the school? Why can't we?

The Freshmen are doing some interesting work with Poe's "The Gold Bug."

Recent visitors at school were Mr. Cosby, Miss Braswell, Mrs. J. E. Craig, Robert Viles, Miss Corinne Hitchcock, James Bell, Mrs. C. L. Beach, Mrs. M. A. Beach, Mr. Papadikus.

Have you visited school yet? Can't you come to our next week's assembly?

The 8th grade graduating exercises will be held at the school house next Thursday afternoon beginning about 2 o'clock. A. J. Clark will deliver an address and present the diplomas.

The Baccalaureate sermon will be given at the Presbyterian church Sunday, May 5, by Rev. G. W. Holmes, at 11 o'clock. Every body cordially invited. There will be special music.

Rev. Howard Peters of Mammoth Spring, Ark., will deliver the class address at the commencement exercises May 9 at the Nugget theatre.

The graduates this year are Lockie Craig, Grace Craig, Huldah Rippee, Pearl Newton and Hazel Burney.

Herbert Cosby, a U. S. poultry husbandry man, talked to the members of the poultry club on Tuesday afternoon; he strongly recommends that no more eggs be set this season.
