The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

**Justamere Club Meeting**  
The regular monthly meeting of the Justamere Club was held Tuesday afternoon with Mrs. G. W. Miller as hostess. Refreshments were served to the following members—Mesdames N. J. Craig, J. E. Craig, D. H. Kay, G. W. Freeman, J. A. Fuson, W. A. Black, A. J. Wilder, M. E. West and G. W. Miller and Miss Maude Reynolds, and two visitors, Mrs. C. C. Newton and E. A. Sisk. Mrs. Newton assisted the hostess in serving.

"We Are All Good Friends" was adopted as the club song. This is an original composition by Mrs. A. J. Wilder, and was set to music by M. Jean Jacques Marquis of Du Chateau on Lake Geneva, Switzerland, who visited at the Wilder home last fall. The composition was played and sung for the first time at this club meeting by Mrs. J. E. Craig.

The lesson for the afternoon proved highly interesting. The next meeting will be with Mrs. D. H. Kay May 11.

**To the Public**  
Explaining why no show at the Nugget last Saturday night. Mr. F. H. Riley, Mansfield, Mo. Dear Sir: You probably are aware of the fact that no film shipments in the last four days have gone forward by express. On that account we were compelled to ship everything parcel post and since everybody in town is shipping by parcel post, there was a natural congestion at the postoffice and due to that fact we must expect a little delay. However, from now on we will instruct our shipping department to send your service out on Thursday so that you will be sure to get it on Saturday.

Yours truly,  
Crescent Film Company.

**At the Christian Church**  
Rev. Oscar Wright of Springfield, the pastor, preached at the Christian church Sunday.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions, and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

**Not a Bite of Breakfast Until You Drink Water**  
Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infect the bowels. From this mass of left-over waste, toxins and stomach-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside health. Before eating breakfast each morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities that go into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.
