A Big Meeting

The meeting at Mt. Pleasant church on Prairie Hollow conducted by Rev's Charley Nevils and W. H. Kastning is meeting with great success. There has been 19 professions to date. One of the distinguishing features of this meeting is the harmony with which people of different denominations work.

This is a General Baptist Church but they are appreciating Bro. Nevils a Missionary Baptist beyond power of language to express. He and the Missionary of the General Baptist church Rev. Kastning are closer together in spirit than most any men we most ever saw. This is partly due to the fact that Mr. Kastning has helped Rev. J. E. Nevils hold several successful meetings in Ozark county, and Rev. Nevils is returning the favor.

We are expecting a greater meeting yet. Everybody invited to attend. By a worker

Parent-Teachers Make Report.

The Parent Teachers met Friday, Sept. 2nd 1921. The Treasurer gave a report of funds collected and spent during the past school year of 1920-21. Total taken in from entertainments and pie suppers, \$336.15.

Some of the things the money was paid out for:

Books for different rooms,	\$129.77
Lumber	\$65.87
Light bill	\$27.51
Tuning and repairing piano	\$5.50

This is a partial list of the things paid for, during the past year by the Parent Teachers.

Then there were hauling bills, refreshment bills, programs, and various other bills paid for. Miss Cantrell, on account of the crowded condition of her room, asked and obtained permission to have half day sessions beginning Sept. 5th. This enables her to give her undivided attention, to one grade at a time for half day periods, thereby gaining greater results. This change has been made in other schools with great benefit to pupils.

Our Janitor is fixing up the school yard as the Parent Teachers want it.

The following committees were appointed: Finance committee,

Mrs. J. C. Carter

The Parent-Teachers agreed to help pay the \$140.00 for the new chairs which were so badly needed, and are now in the reception room.

We hope the patrons of the school will see what the Parent-Teachers are doing, and will all come out and help. We need you. We have only a balance of \$8.48 left in the treasury at the beginning of the school year.

Several good talks were made and dues paid by Mrs. Hoover, Mrs. Divan, Mr. and Mrs. Kay, and Mrs. C. L. Beach.
