Were Bitten By Mad-dog
 Last Friday night while returning to their homes Rev. L. W. Hensley and Chas. Smith were both attacked by a mad dog and bitten severely. The dog was in town Friday afternoon and bit several dogs but did not attack any one until night. Rev. Hensley met the dog near the bridge where he was attacked and his arm bitten in several places. Chas. Smith was attacked and his arm also bitten but he succeeded in getting his knife and cutting the dogs throat. Rev. Hensley and Smith left Saturday for Springfield to take treatment but were unable to get treatment there and had to return home. Medicine was ordered from St. Louis and the doctors here are giving the treatment.—Hartville Democrat

Weed-Livingston
 L. F. Livingston and Florence E. Weed were married at the home of Rev. J. E. Sals, last Sunday evening, Rev. Seals performing the ceremony.
 The wedding was witnessed by Marian Stanley, daughter of Mr. Livingston, and N. J. Craig, when the party drove out to Rev. Seals country home where the nuptial knot was tied.
 The contracting parties are well known in this part of the country, and their friends are numbered by their acquaintances. Mr. Livingston is the congenial agent at the Frisco depot and Mrs. Weed is manager of the Mansfield Telephone Co. They are both estimable citizens—in the noon day of life, and their many friends join in wishing them a happy, prosperous wedded life together. They are at home in his beautiful property in the southwest part of the city.

Mother-To-Be, Read This—

Here is a wonderful message to all expectant mothers. When the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says: "With my first two children I had a doctor and a nurse and when they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse! We had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes."
 Write for valuable, free illustrated book, "Motherhood and the Baby," containing important authoritative information which every expectant mother should read. It is all about "Mother's Friend," the greatest discovery in the history of medicine. It is sold by druggists everywhere.

A Superior product
 No better example of the wonderful possibilities of the Ozark Country is to be had than is that of the successful development of the Ozark Strawberry. Beginning with nothing some twenty years ago, the strawberry industry, under the best cooperative marketing system in existence, the Ozark Fruit Growers Association, has grown until this year 4,000 carloads, worth approximately \$1,000 per car, are being eaten by berry eaters all the way from Denver to New York City, from San Antonio to St. Paul.
 Yet the famous and profitable Ozark berry is grown in less than twenty counties and is hardly more than a sideline even in the leading counties.
 The poultry industry, the dairy industry, the livestock industry, in fact almost every kind of domestic animal, fruit and crop has almost as unlimited possibilities of development as the Ozark strawberry.
 The world is always willing to pay an extra price for a superior product—and when it comes to producing superior products we are already on the map—Ozark Countryman, June 1, 1922

Why Suffer From Rheumatism.
 Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.

Calomel Users Take Awful Risk
 Very Next Dose of Treacherous Drug may Start Terrible Salivation
 The next dose of calomel you take may salivate you. It may shock your liver or start bone necrosis. Calomel is dangerous. It is mercury, quicksilver. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bowels and should never be put into your system.
 If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.
 Don't take calomel! It can't be trusted any more than a leopard or a wild cat. Take Dodson's Liver Tonic which straightens you right up and makes you feel fine. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate.

ARE YOU RUN DOWN?
 Awaken to The Danger and Aid The Weakened Kidneys.
 Kidney sickness often runs you down to the verge of collapse before you know the cause. When you are unable to pin your mind to any task your back aches and you cannot do an ordinary day's work, it is time to ask yourself this question: "Are my kidneys working right?" The answer may be easily found.
 Weak kidneys slacken their filtering work and the uric acid circulates with the blood, in many cases attacking brain, nerves, muscles, and vital organs. Don't wait for serious trouble—begin using Doan's Kidney Pills when you feel the first backache or first-notice urinary disorders. This remedy has given new life and strength to thousands. Read the grateful testimony that follows:
 Mrs. O. T. Senger, Houston, Mo., says: "I have used Doan's Kidney Pills on several occasions in the past and they have always proved a fine remedy. At times I have suffered from weak kidneys and my back ached and would become lame. There would be a dull, steady ache through my kidneys. I have always been greatly troubled with rheumatic pains. I knew the trouble was caused by weak kidneys. Doan's Kidney Pills have always cured me of these attacks." 60c at all dealers. Foster-Milburn Co., Mrs. Buffalo, N. Y.—Adv. No. 59

Ramie Gass, Mrs. Morgan and Amos Plier each made talk which were highly enjoyed by all present. Shiloh Sunday School is always glad to welcome you Come Again.
