Frank Cole called on G. B. Nonemaker Monday.

There was a State Highway man in the neighborhood last week. They are planning on a road to go north on the J. Short

line and run to the Olithe road and into town over the R. R. bridge, a good road is badly needed for the hill at Mansfield is a very hard pull for a team with a load and the crossing is a dangerous one so lets hope they make a good road.

F. E. Simpson a brother of Mrs. W. N. Draper has returned to Broken Bow, Neb.

**A Real Friend Each Week.**

(And Christmas Comes But Once A Year.)

When Mary Jane Smith loses heart or her head and worries the man, it's the home paper which tells about the great adventures and supplies clothing for her grandchildren to read.

Johnny Williams, who used to fish with us down on Clear Creek, may have gone away to the city and risen to be head of the works. It's only the home paper that will take time to tell the home folks about Johnny.

Tears are shed when Grandma Watkins passes on to her reward, and many feel the vacancy the patient, saintly, old woman has left. Only the home paper pauses to tell the world where she was born, when she married, and why her memory is so dearly loved by the whole neighborhood.

Everything from a presidential message to a pie supper report is to be found in your weekly newspaper. And, best of all, it's a newsy, chatty friend which drops in to see you every week in the year, good weather and bad, carrying the news of what other folks are doing and helping make life more interesting.

You cannot well do without your home paper, the Mirror, nor can it do without you.

**Another Friend Worth Having.**

Next to your home newspaper in interest comes a real, live, farm paper.

Every progressive man enjoys reading the views and opinions of other men especially if he knows them to be practical men who have succeeded and have made money in their particular line of farming. And especially does he enjoy such a farm paper if he knows that such men are talking about how to make money with dairy cows, chickens, or hogs right here in the Ozarks and not "somewhere" in Kansas, Iowa, or Illinois.

Such a paper published by Ozark farmers for the men of the Ozarks is the Ozark Countryman. Coming twice a month, it carries the latest information as to the growing of Ozark grasses, the production of Ozark livestock, and all the most practical information available which will help make more money for you on your own farm.

A farm paper which supplies practical information from practical farmers is rare. You may secure such a paper along with your home paper at a Special Holiday Rate.

For a limited time only we are offering the Mirror and the Ozark Countryman both one year for \$1.50.

If you will call at this office the next time you are in town or mail us the coupon below, you will receive your own, home, weekly newspaper and your own, home, farm paper for one whole year. And since every one is getting ready for Christmas, what would make a better Christmas present?

Editor of the Mansfield Mirror, Enclosed please find \$1.50 for a year's subscription to the Mirror and the Ozark Countryman.

**Taking Desperate Chances.**

It is true that many contract colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand cold, succeeding attack and paves the way for more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of bad colds may be had for a trifle?

Special Holiday Rate \$3.50, Springfield Missouri Republican or the Kansas City Journal. Order through your local paper, or mail to the Republican office.

**YOUR KIDNEYS.**

Mansfield Residents Must Learn The Importance of Keeping Them Well.

Perfect health means that every organ of the body is performing its functions properly. Perfect health cannot be enjoyed if the kidneys are weak and disordered.

What this remedy has done in so many cases of this kind is the best proof of its merit.

Read the following, it's testimony gratefully given by a resident of this locality.

Mrs. S. G. Dake, 410 S. Main St., Mountain Grove, Mo., says: "Some years ago my back and kidneys were giving me trouble. I suffered with backaches all the time and it got so bad, I could hardly straighten after bending. My kidneys acted too often. I got Doan's Kidney Pills and found them just the thing. A short use cured the attack and helped me in every way. Others of the family have used Doan's with excellent results."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Dake had. Foster-Milburn Co. Mfrs., Buffalo, N. Y.—Adv. No. 51
