Clothcraft Clothes Never Fail

The harder the test you put them to the better you'll appreciate them. Facts are stubborn things. But it is a fact, and a proven one, that Clothcraft Clothes are bigger values for the money.

People come in, ask for Clothcraft and insist on having it. Why? For the simple reason that Clothcraft Clothes have served them with the same consistency, season after season.

Just for example let's consider No. 4130, the Clothcraft Blue Serge Special at \$18.50 (or "5130" at \$15.00). We aren't afraid of contradiction when we say that a better suit of clothes at the price is an impossibility.

"4130" or "5130" leaves absolutely nothing to be desired. Pick up any Clothcraft garment, it doesn't matter whether it cost \$10 to \$25, you'll agree with us that a better value cannot be procured at the price.

What's more, the Clothcraft Guarantee protects you against all mistakes.

The variety right now is most complete—we would like to have you come in and make us prove our claims. Will you come in—today?
