The degree work will be done in the Parochial School Hall. It is expected that the representation from the different councils will bring several hundred visitors to Ste. Genevieve on that day, and true to tradition the local council will entertain their guests in the hospitable manner characteristic of old Ste. Genevieve.—Ste. Genevieve Herald. BASKET BALL The Farmington Eighth Grade and Flat River Eighth Grade played the championship game of basket ball Saturday night on the local court, Farmington being the winners by a score of 26—15. The first half was played slowly and ended with the score in favor of Flat River. The second half was somewhat faster and harder fought, ending in favor of Farmington. This is the first year Farmington ever produced an Eighth Grade team, so the schools and the people generally should be proud of their showing.
