Latest From Local Board

Rock Island, Ill., May 20, 1918.
Local Board for St. Francois County,
Farmington, Mo.

Sirs:—I am constantly urged by the
War Department to increase the pro-
duction of war supplies for our sol-
diers in France. The greatest emer-
gency in our history is upon us. The
Government is straining every nerve
to increase the number of soldiers
sent to France and the munitions for
their use.

Formerly about 2000 men were em-
ployed at this Arsenal, but we now
have over 8000 and will increase the
number to about 12,000 as fast as
we can get the men.

We can get the unskilled laborers,
but the skilled laborers, competent
machinists, for instance, are holding
us back. There are not enough ma-
chinists to supply the demand of the
arsenals, navy yards and industrial
plants necessary to the maintenance
of the national interests, and merely
paying higher wages, no matter how
high, will not increase the number at
once.

If you have any high grade machin-
ists among your registrants in the de-
ferred classes, I wish you would in-
form them they can get employment
at good wages at Rock Island Arsen-
al.

Respectfully,
L. T. HILLMAN,
Col., Ord. Dept., N. A. Comdgr.

May 9, 1918.

To All Local Boards:

The Provost Marshal General has
made an additional call for skilled la-
bor and as these calls are in excess
of the number reported under the "Na-
tion's Want Column" as skilled in the
lines named I must depend upon the
Local Boards to locate these men.

Call	Occupation	Number wntd.
499	Bargemen and Boatmen	20
504	Railroad Brakemen, Flagmen and Conductors	100
508	Locomotive Engineers and Firemen	25
525	Boilermakers and Helpers	25
528	Veterinarians	10

It is requested that you give these
calls as much publicity as possible
and qualified registrants should be
urged to offer their services. The vol-
untary period will continue until May
20th, 1918, and on that date all Local
Boards will forward report to reach
here May 21st, 1918, (if your Board is
so far removed from the Capitol that
a letter posted on the 20th will not
reach here the 21st you will please re-
port by wire). The report must fur-
nish the following information:

First. Total number of volunteers
under each of the calls named.

Second. Total number of addition-
al men in Class One qualified for ser-
vice in each of the occupations covered
by these calls.

Third. Total number of men in
Class Two Division D qualified for
service in each of the occupations
named.

Fourth. Total number of men in
Class Three, Divisions K and L qual-
ified for service in each of the occu-
pations named.

All men accepted under these calls
must be white men and physically
qualified for general military service.

By direction of the Governor,
J. H. McCORD,
Lt. Col. N. G. Executive Officer S. S. L.

May 6, 1918.

To All Local Boards:

The following telegram, No. B.704,
received from the Provost Marshal
General, is quoted for your informa-
tion and guidance:

1. The Adjutant General of the
Army has completed arrangements for
the Fourth Officers' Training Schools,
to be established May 15, 1918.

2. The Training Schools are pri-
marily established for training enlist-
ed men, but certain men within the
draft age may be selected and per-
mitted to enlist therein if they are:
First, members of the Reserve Officers'
Training Corps Units who either will
complete the senior course this pres-
ent year or have completed one year
course of same and since Jan. 1, 1918,
have received not less than three hun-
dred hours of military instructions
under the supervision of an army offi-
cer; Second, graduates of educational
institutions maintaining a course of
military instruction under the super-
vision of a duly detailed army offi-
cer, who has received not less than
one year military training at same.

3. In order that registrants selected
to attend may enlist and attend said
Fourth Officers' Training Schools,
Section 151, Selective Service Regula-
tions has been amended by adding the
following paragraph G: "When any
registrant who is selected to enlist in
the army and to attend the Fourth Of-
ficers' Training Schools presents to
his local Board a certificate signed by
the Professor of Military Science and
Tactics on duty at the educational in-
stitution which the registrant has
been attending, or signed by the ex-
ecutive head of such institution, that
such registrant has been selected to
attend such Fourth Officers' Training
Schools, the Local Board shall issue
to such registrants a permit to enlist.
Said permit shall contain as an in-
tegral part thereof a reference to Sec-
tion 116, Selective Service Regula-
tions and an admonition to such reg-
istrant that within five days after the
termination of this enlistment either
by expiration of the period of en-
listment or by discharge from the
army, he shall, unless he has been
commissioned in the army, report to
his Local Board such termination of
enlisted status. Said certificate shall
also contain as an integral part there-
of an order of such registrant that
immediately upon his being accepted
and enlisted he shall forward to the

Local Board a certificate of enlist-
ment, signed by a commissioned offi-
cer of the army. Upon the receipt of
such certificate of enlistment it shall
be filed with the questionnaire and
the registrant shall be placed in
Class V on the ground that he is in
military service of the United States.
In the interim between the issuing of
the permit by the Local Board and the
receipt of such certificate of enlist-
ment such registrant shall not be in-
ducted into military service, notwith-
standing his order number may have
been reached, but unless such certifi-
cate of enlistment is received with-
in twenty days after the issuing of
the permit by the Local Board, said
permit shall thereby cease to operate,
and the registrant shall be liable to be
inducted as soon as his order number
is reached, or otherwise in due course."

MILLION VOTE MARK REACHED AND PASSED

Candidates Are Working Fast and Fu- rious and Votes Are Piling High —Honors Stand About Even

STANDING OF CANDIDATES

STEPHEN BEDFORD BURKS, Farmington,	1,213,300
MRS. T. B. (BART) WELCH, Farmington,	1,154,500
MISS MINA RAE WILLIAMS, Bonne Terre	1,002,450
MRS. PAUL MITCHELL, Flat River,	770,400

Developments during the past week
in The Times' big automobile prize
contest have been the most sensation-
al and spectacular yet recorded. Hun-
dreds of thousands of votes were
cast; first one candidate would hold
sway for supremacy, then another;
battles were fought, won and lost, and
the race waged fast and furious.

Yet, so closely arrayed and with
honors so equally divided up to the
present time, it depends entirely upon
the individual efforts of each candi-
date between now and the close of the
"first period"—Saturday night, May
25—as to who the ultimate winners
will be.

No one has a walk-away for the
prize "Mitchell-Six"; neither is any-
one hopelessly beaten. Just a good
bunch of subscriptions turned to the
account of anyone of the various con-
tenders would change the entire com-
plexion of affairs and furnish new
leaders in the race. In fact, a few
long term subscriptions now from un-
expected sources might be the very
ones needed to stem the tide of de-
feat and turn it to sweeping victory.

Contest Reaches Acute Stage.
With but one more week after Sun-
day night in which to turn in sub-
scriptions and secure the maximum
number of votes, interest in the com-
petition intensifies. Each candidate
realizes that he or she is within reach
of a prize worth considerably more
than a thousand dollars, either to be

claimed for their very own or for-
feited to more aggressive opponents
during the next few days, depending
to a considerable extent upon the re-
sults obtained while the BIG VOTES
are allowed.

If you halt now for a moment; if
you weaken for a single day, or if
you overlook one opportunity to bet-
ter your chances to win, you are tak-
ing the desperate chance of losing the
big prize, already partially won, and
which really belongs to you, and you
are nearly certain to bring dismal
disappointment upon yourself as well
as your friends, who will take it as
sorely as you would yourself.

A Fight to the Finish.

Don't forget that this is a battle
hereafter. Craft helps; speed, too,
but the rugged strength and lasting
qualities of a few hundred thousand
votes means victory here as the same
traits win in battle. Vote discreetly;
hustle swiftly; watch and battle per-
sistently until the finish and, if you
don't win at that, it will be for no
other reason than that some other
competitor embodies all your strength
to a greater degree.

REMEMBER: 3,000 votes are al-
lowd on yearly subscriptions this and
next week, while the following week
only 2,000 votes are allowed; 25,000
votes are issued on 5-year subscrip-
tions now, while during the "second
period" only 20,000 votes are given.

STATE HOSPITAL POET AT BAT AGAIN

The following poetic classic was
composed by the popular mail car-
rier of the State Hospital, Major
Townsend, and given to The Times for
publication. Major says this fittingly
represents the frame of mind the
Kaiser is in, but it's a hullava long

way from being Major's own opinion:

"Old Kaiser Bill, He Told Me So."
God is on the German side,
Hi Lee, Hi Lo.
Old Kaiser Bill he told me so.
The German God is always so,
Whether the preacher likes it or no.
All Allies they shall go below,
The Kaiser Bill has told me so.
The German God he wills it so,
Hi Lee, Hi Lo!
Old Schooner Bill has willed it so!
Long live Wilson!
