

# What are YOU doing for us?

The voices of a million and a half of our boys in France are asking you that question. Another million and a half will soon be asking it. These men are giving their lives for your freedom—they have a right to ask what you are doing to help them. They need your help, and if you give it quickly you will help save the lives of thousands of our boys.

We are working day and night to organize, train, equip and transport an army of four million men to France. While we are working, our boys over there are dying. The longer it takes us, the more lives will be sacrificed. Don't you be responsible for any of the delay—do your duty promptly.

## Buy Fourth Liberty Bonds

“Don't let the SON go down”

You don't have to pay all cash for your bonds. You can make your first payment from cash in the bank, and take care of the balance out of your daily, weekly or monthly savings.

The forced saving you do now will mean a nice nest egg later, for the bonds you buy

now and pay for as you go along will prove a splendid investment that will pay you a good interest every six months. After the war, the bonds will be worth more than you paid for them. Don't hesitate to do your duty and do it quickly.

“Don't let the SON go down.”

Believing that it is the duty of every person who enjoys the freedom and privileges of citizenship in our great Country to do his utmost to help win the war, the following firms and individuals have patriotically contributed the money to pay for this and other advertisements in the Fourth Liberty Loan
