Renew and beautify your home with an attractive coat of paint. Good Ready Mixed Paint or Lead and Oil, at right prices, at Tetley-Klein Lumber Co.

Travel by air has now reached the same luxurious standards as travel by land. Danger from fire and engine trouble has been reduced to a minimum by new inventions. One can travel through the air at a speed of 125 miles an hour with less discomfort than is experienced on trains. Hospital airplanes with operating rooms fully equipped are a practical reality. Stabilizing appliances permit the surgeon to operate while the machine is flying through space.

Protect your health and comfort by opening your doors and windows. Tetley-Klein Lumber Co.

WOMAN THINKS SHE CAN'T TALK ENOUGH

"I had gall stones for 14 years and suffered severely from gas, colic and indigestion. Doctors wanted me to go to the hospital, but I took Mayr's Wonderful Remedy instead, and am now feeling fine and better than I ever did. I can't talk enough about this remedy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At E. M. Laakman's and druggists everywhere.

An Interesting Study

In latest automobile construction is presented in the following diagram, showing latest and most noteworthy improvements in the latest model

CHEVROLET

Such a study will also afford the best possible answer to the question now being so frequently asked us: "How, or why, are you selling so many Chevrolets?" It shows that the buyers are now studying the inward workings of the machines before placing their orders.

The price of this machine is \$525.00 F. O. B., Flint, Mich.

Let us demonstrate to you the performance of this machine. We will also be pleased to explain to you any feature that may not appear entirely plain to you.
