DIRECTORS AND OFFICERS.

The following directors and officers were elected:

D. P. Moore, H. Brinsmade, James Clacher, Wm. Pollock, J. H. Bickley, S. M. Locke and L. Hord. The directors elected the following officers: President, Wm. Pollock; treasurer, S. M. Locke; Secretary, A. C. Barnes. Mr. Barnes says he will not have time to attend to the secretary's office.

The selection of officers and directors, we think, a good one and ensures the success of the undertaking. The capital stock is \$5,000, half paid in, and incorporation papers will be taken out at once. The primary object of the company is to adjust all difficulties between the Salamander Company and property owners who are damaged by this company. Active work will begin in this direction at once.

Other people save money by buying of La Crosse Lumber Co., wholesale getting better grades. Why should you not do the same?

A Big Sale.

The administrator's sale of the stock and other property belonging to the late Major William Gentry, which takes place October 29 and 30, at Locust Grove farm near Sedalia, promises to be one of the greatest events of the kind in the history of Missouri. Over 800,000 worth of property will be disposed of and stock and horsemen from all over the country will without doubt be present as it is well known that nothing which walked on four feet on Major Gentry's farm was without blooded qualities and no man in the State was a better judge in this respect than the lamented dead. The sale will be under good management and no doubt many rare bargains will result to the purchaser. Stockmen in Audrain should attend this sale. See advertisement in the weekly Ledger.

The La Crosse Lumber Co., formerly solid lumber dealers, now gives the consumer, through its many branch yards, the advantage of good grades at low prices. One profit saved.

Robert Boley, insane, was brought to this city Monday and locked up in jail until an examination could be had. He was found at Vandavia standing guard over an old iron knife in hands ready to strike him down at any time. He said "The Lord had commissioned him to kill Crawford and he proposed doing it." Sheriff Adams was telegraphed for and went down to Vandavia and brought him to Mexico.

Robert Boley, who became insane a few days ago, and, growing more violent daily, was taken to Fulton to the Hospital for Insane Tuesday, Robert Kemp having him in charge.

NELSON & RICKETTS.

IT PAYS.

A New and Active Real Estate Firm Established.

J. T. Nelson has bought D. P. Moore's one-half interest in the firm of Moore & Nelson, also his half of building occupied by the firm for \$3,500. Nelson retains the entire building, but has sold one-half of the business to John T. Ricketts, who has been with this firm ever since it started in business, and is one of the best equipped men for this business we know of anywhere. The new firm will keep up the reputation of the old one, and will always be found active and liberal in all undertakings which are intended to forward the best interests of Mexico. Mr. Moore will remain in Mexico, but has not made up his mind what he will go into. Dave is pretty well fixed, and it is not absolutely necessary that he should embark in business for a while.

In Memoriam.

Dear Brothers and Sisters:

HOPWELL CHURCH, August 2.

In the sickness and death of Bro. C. T. Black we are reminded that "man that is born of woman is of few days and full of trouble. He cometh forth like a flower and is cut down; he fleeth also as a shadow and continueth not. That man dieth and wasteth away; yea; man giveth up the ghost and where is he?"

Our brother no longer fills his seat in our midst. His work on earth is done. He walks no more among men. Then let us as a church express our loss in the following resolutions:

First, That our brother was an exemplary man. He was quiet, unassuming, humble in his Christian life, ready to esteem others better than himself.

Second, That as a church we have lost one of our oldest and most faithful members.

Third, That the community has lost a good, kind neighbor, a loving and true friend, and the country an honest, conscientious citizen.

Fourth, That his family has lost a tender and loving husband; an indulgent and hopeful father, and humbly speaking, an irreparable loss.

Fifth, That we deeply and truly sympathize with his wife and children in their sad and sore affliction and pray God to comfort the sorrowing heart and in mercy bring them all to be with his Redeemer and him in the home of the redeemed.
