There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. The Best Cough Medicine.

When a druggist finds that his customers all speak well of a certain preparation, he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself and in his family. This is why so many druggists use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggist of Cubrun, Ky., says, "I have used Chamberlain's Cough Remedy in my family for the past seven years, and have found it to be the best cough medicine I have ever known." No Great Act of Heroism Required.

If some great act of heroism was necessary to protect a child from croup, no mother would hesitate to protect her offspring, but when it is only necessary to keep at hand a bottle of Chamberlain's Cough Remedy and give it as soon as the first indication of croup appears, there are many who neglect it. Chamberlain's Cough Remedy is within the reach of all and is prompt and effectual. Adv.

MR. OLIVER AUDRAIN
All Over Audrain

Introducing Mr. Oliver Audrain ALL OVER AUDRAIN

I don't think I need an introduction to many of you. Most of you have met me before. Those who have been help-less and those who have been job-less, those who have something to sell, rent, buy or barter, know me pretty well. They know where to find me when they want me—in the Want Ad Column of this paper--and they call for me there when they need me.

I'm probably the most "paged" man in Audrain Why I'm introducing myself again is just a matter of advertising. I believe in it. Whatever you have to offer in property, service or usefulness I believe should be advertised--so I advertise myself because I am of such great service and usefulness to everybody at some time or another.

I want you to remember me--remember that my line is disposing of what you have to offer at .10 cents per line and I'll do a thorough and satisfying job--carrying your message into every shop, store, home and office all-over Audrain.
