The Stone County Oracle says: "Taney county has this year got the bulge on Stone on the number of immigrants it has obtained. One reason appears to be that the Railroad surveys have gone that way."

Dr. Halliday, the dentist, is still at the Hilsbeck hotel, and will remain in Forsyth for a few days longer. He has been having plenty of work to do and has given general satisfaction. The popular verdict is that the doctor is a master of his profession. Persons with defective teeth or no teeth at all will do well to consult him before he leaves town.

That genial old-timer among the traveling men, Pat Oliver, of Springfield, was in town on Tuesday. Mr. Oliver has been selling goods in Taney county for the last twenty-eight years and has hosts of friends. He has been coming to this country longer than any other man now on the road.

Mr. Summers, who lives a couple of miles east of town, attempted to ford White River on Saturday but his horses and wagon soon got into swimming water and for a time he was in a perilous position. Squire Kinyon and Ferryman R. L. Parrish speedily came to the rescue and helped Mr. Summers and his team to regain dry land.

Mr. Iz P Wetmore, a prominent real estate agent of San Angelo, Texas, has used Chamberlain's Colic, Cholera and Diarrhoea Remedy in his family for several years as occasion required, and always with perfect success. For sale by all dealers."

Now is the time for our merchants in and out of Forsyth to do their holiday advertising. THE REPUBLICAN circulates everywhere in the county and a good advertisement in our columns will bring any merchant many dollars worth of sales that he would have missed without it. The holiday trade can be largely increased by telling the people about your new goods and splendid bargains. Customers are easily secured at Christmas times by just a little liberality. Try it.

The Aurora Argus says: "We hope that Springfield will succeed in getting that long talked of south road—the needs it. It would be of more value to her than ten north roads, as it would go into the richest territory on earth without a railroad, and where there is no competition from any other city. Of course in our wish for Springfield's success we are not wholly unselfish as we confidently believe that with the first shovel of dirt on the Springfield road, work will be commenced on the Aurora division of the Memphis, and then the race will be on. As little as it may look like it now, the fact is that Aurora will give Springfield a tussle for that southern trade, and if the Missouri Pacific builds through by Aurora and on into Arkansas all the roads Springfield may get will not save her. She has waited too long."

Mr. J. M. Barker made another trip to Kirbyville last Sunday.

Mrs. J. C. Johnson has been, until the last few days, quite sick ever since circuit court.

The Aurora Argus, now owned and edited by W. W. Kinloch, who established the Christian county Republican, is good enough to say: "The Taney County Star has been sold to Price & Williams, who have changed it to THE TANAY COUNTY REPUBLICAN, with our old friend, Lawrence Carroll, who is one of the ablest writers in the Southwest, as editor and business manager. We wish THE REPUBLICAN success."

They are undoubtedly right and THE REPUBLICAN will gladly print any notice or notices that may be needed to call together those interested in the matter—and everybody ought to be interested. The energy of the ladies and the liberality of our business men will make a success of the Christmas tree project, if any one will make the first move.

Any one who has children will rejoice with L. B. Mulford, of Plainfield, N. J. His little boy, five years of age, was sick with croup. For two days and nights he tried various remedies recommended by friends and neighbors. He says: "I thought sure I would lose him. I had seen Chamberlain's Cough Remedy advertised and thought I would try it as a last hope and am happy to say that after two doses he slept until morning. I gave it to him next day and a cure was effected. I keep this remedy in the house now and as soon as any of my children show signs of croup I give it to them and that is the last of it." 25 and 50 cent bottles for sale by all dealers.

A box supper was given in the school house at Taney City last Thursday night for the benefit of the Sunday school. It was very well attended and was a great success in every respect. Miss Sue Harmon's pupils carried out a most agreeable programme before the boxes were sold and the entertainment they furnished proved that they are being well taught. The Morrow brothers rendered excellent music during the entertainment. The boxes brought \$6.45 at 15 cts. each and many more boxes could have been sold if they had been on hand.

Go to J. A. Tolerton's for fancy groceries. He has the best and largest stock of canned goods to be found in the county and many other things that are appropriate for the holiday season. Give him a call and see for yourself. His prices are very low for cash and everything on hand is new and up to date.

For dry goods, clothing, hats and caps, boots and shoes, queensware and hardware, harness, groceries, etc., remember that L. T. Corbett's store two miles south of Cedar Creek P. O. is the place to get them. He sells for cash and takes marketable produce in exchange for goods.

We have made a clubbing arrangement with the Toledo Blade by which our subscribers can obtain the Blade and The Taney County REPUBLICAN one year for the small sum of \$1.00. Of course the dollar must be paid in advance as this proposition is on a strictly cash basis. The Blade without THE REPUBLICAN costs a dollar.

If suffering with piles, it will interest you to know that DeWitt's Witch Hazel Salve will cure them. This medicine is a specific for all complaints of this character, and if instructions (which are simple) are carried out, a cure will result. We have tested this in numerous cases, and always with like results. It never fails. B B Price.

W. J. Hull, Judge of Probate, will fill vouchers for pensions and make affidavits in pension cases; solemnize marriages; draw up deeds and mortgages and take acknowledgments; make homestead proofs and applications for homesteads and cash entries; in fact will do anything that comes within the jurisdiction of his court. Call and see him at his office in the court house.

Dr. F. V. Baldwin begs leave to inform his friends and customers that in taking charge of the drug store recently purchased by him from E. E. It will be made as nearly complete in all respects as possible.

Mr. S. P. Bledsoe, who has worked as a printer on most of the newspapers published in this county for the last five or six years, left town on Sunday with the intention of going to southwestern Texas. He has long been a sufferer from asthma and will seek relief in a warmer and dryer climate. The good wishes of many friends attend him.

Mr. W. H. Johnson, of this town, contributed an able letter to the Springfield Republican of the 3rd inst. on the railway question. He advocates the construction of a road from Chadwick to Forsyth and points out the advantages which such a connection with White River navigation would afford to the railway company. Mr. Johnson ridicules the idea that a road could not be built to this point and gives many sound reasons for his belief that the best available route from Springfield to Harrison can be found by going through Forsyth.

TANEYVILLE.

Correspondence of THE REPUBLICAN. Well, after a long absence I come again. In the first place I congratulate the new change made from the star to a genuine true blue Republican paper. With Lawrence Carroll editor, the Republican party of Taney county will be ably defended. The first copy of THE REPUBLICAN came to me last week. It is well edited and neatly printed and full of news up to date.

There has been a protracted meeting going on at the schoolhouse for the past week, conducted by Elder T. A. Foster. Mr. Foster closed his meeting Monday night. Rev. M. S. Whiteside, of Louisiana, Mo., will commence a protracted meeting on Tuesday night.

J. J. Spitzer has moved up stairs in the Henderson building. He has the contract to complete the wood work on H. Russell's new brick building, and he also has the contract of building the roller mill house for Mr. Simkins.

Last Saturday night eight Indiana hunters returning from Arkansas put up at the Simons house.

Simkins & Co. are doing a good business with their saw mill.

H. Russell, our enterprising merchant, returned last Monday from Springfield where he has been to buy the lumber to finish his new brick building.

Our district school is one of the institutions the children are well pleased with under the care and scholarly management of Prof. Pierce, assisted by Miss Alethea Dickenson.

Mrs. B. Goins has been very sick and had a serious time of it for about a month and it has been thought by her friends that she could not recover. But we are glad to report that under the skillful management of Dr. Stacey she is recovering and I think will soon be about her business again.

KISEE MILLS.

Correspondence of THE REPUBLICAN. As you ask for correspondence from all nooks and corners of Taney I take up my pencil and will say, first, I was greatly delighted to receive a paper edited by the same man who edited the old times in its palmy days, and more so to see that the Republicans of Taney county have something to help them in a good reliable Republican paper at our county seat, with an editor that can hold his own against all comers. Hurrah for THE REPUBLICAN and Tom Reed, and now let each Republican form himself into a committee of one and work for the spread of the gospel, not forgetting that want of financial support proved the death-knell of all former efforts to furnish a Republican paper in this county.

A. C. Kisee & Son have their new roller mill near completion and when finished it will be the banner mill in Taney county. They have also a large stock of general merchandise which they are selling at wonderfully low prices.

Our accommodating postmaster, Mr. D. C. Kershner, is dispensing much mail as well as doing a rousing mercantile business. In fact Kisee Mills is on a boom and now that our people have a paper of their own faith you may expect this village to advertise liberally as the citizens are all men of enterprise and want the outside world to know what the possibilities of Kisee Mills are.

W. G. Clark sold a nice bunch of yearling calves last week.

T. F. Williams killed eleven fine porkers last Thursday and J. E. Andre s killed eight good ones the day before, so you see it is hog-killing time in this neighborhood.

The box supper at Wilson Spring schoolhouse last Friday night was a grand success. All the boxes sold readily and many more could have been sold had the stock not run out. The silk handkerchief for the prettiest girl was bid off at \$3.00 and awarded to Miss Hester Godfrey. The cake prize for the ugliest man was handsomely borne away by Mr. H. T. Wilson, who carried off the honor with a good grace. The young ladies of the district say, however, that winning ways count for more than beauty.

The public school in this district will close on Friday the 20th inst. A good time is expected. The patrons of the school will all attend and have dinner on the premises; closing exercises at night. The editor and staff are cordially invited to attend and share the hospitalities of the district. As this is my first effort for many a day, I will remember that yawning waste-basket and quit with best wishes from A REPUBLICAN.

A WORD TO THE PEOPLE. On retiring from the drug business in Forsyth, I desire to thank each of customers for the favors extended me in your liberal patronage and I desire to assure you that no one could appreciate such favors more than I, and in future my every effort shall be to treat every customer honestly and honorably, and merit the good will and esteem of every citizen. As my successor, Dr. F. V. Baldwin enters the drug business with a complete line of pure drugs and I recommend him to my customers as a man thoroughly qualified to dispense drugs and conscientious enough to compound prescriptions of the purest drugs.

On entering the general merchandise business, I want to say to the people of Taney county that it is my intention to do a CASH business, and that I propose to carry a good line of goods and sell them at rock bottom prices. You pay for what you get when you buy it and you don't pay for something you never got. All I propose to ask is a living profit and if you get my prices you will find them closer than ever before in this house. I shall try to handle everything in the produce line and pay the lowest market price. I solicit attention, at least, of the patronage of every citizen in Taney county. I promise courteous treatment to all and only one price to all, and the lowest. With best wishes to all and a merry Christmas and a happy New Year, I remain, truly, E. E. S. (Signature)
