It Pays to Advertise.

That good advertisement always pays the advertiser, there is no question, to the man who tries it. Among the best advertisers in South Missouri, is the firm of Parrish & Tolerton, of this place. The boot and shoe Recorder published at Boston Mass. in its issue of Aug. 3. cal's attention to the progressive advertisers of this state and of the three, referring to their big ad of the past six weeks. Parrish & Tolerton of Forsyth, are mentioned with words of the highest commendation.

On last Saturday at a picnic at Bradleyville, quite a serious accident occurred, in which, Mrs. Mary Blunk formerly the wife of Parker Blunk, was the sufferer. She was with her brother, James Byrns in a wagon returning from the picnic, in going down a little hill the wagon struck a stump about fifteen inches high, throwing Mrs. Blunk out of the wagon, breaking her right arm between the shoulder and elbow, also dislocating the right hip. When last heard from, she was suffering considerably.

W. H. Blunk was again a visitor on Sunday last at the county seat.

The Reunion begins at Taneyville on Tuesday next. We are very sorry to learn that some persons seem determined to oppose the expressed wish of a majority of the veterans of Taney county in the erection of a dance platform. The gathering is to be a reunion of the soldiers of both sides in the civil war and not a picnic. Every person, besides the Veterans, who attend, come as invited guests and will be welcome, but invited guests are supposed to conform to the rules established by the household and not to set up rules for themselves. Many of the Veterans will attend with their families if there is no dancing, who will not come if one is maintained. Of course none will be on the grounds proper, nor should there be one in Taneyville, or any where near, nor do we think the people of Taneyville can afford to allow one. The morals of that place have been paraded to the world, and not unjustly either. Now when the old men who compose the Veterans of the county, vote to hold their reunion at that place on account of its morals, as much as anything else, can that people be first to be immoral.

About one month ago my child, which is fifteen months old, had an attack of diarrhoea accompanied by vomiting. I gave it such remedies as are usually given in such cases, but as nothing gave relief, we sent for a physician and it was under his care for a week. At this time the child had been sick for about ten days and was having about twenty-five operations of the bowels every twelve hours, and we were convinced that unless it soon obtained relief it would not live. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended, and I decided to try it. I soon noticed a change for the better, by its continued use a complete cure was brought about—and it is now perfectly healthy.—C. L. Beggs, Stump-town, Gilmer Co., W. Va. For sale by—B. B. Price, Forsyth, F. M. Price, Kisse Mills.

The Republicans of Taney county met in Mass Convention at the circuit court room in Forsyth, Saturday, August 13th. The chairman of the county central committee, B. B. Price, called the convention to order and named D. F. McConkey as temporary chairman, and T. F. Jennings, temporary secretary. The temporary organization was made permanent.

The following were elected delegates to the state convention at St. Louis: W. M. Wade, W. H. Johnson and C. H. Groom. Alternates, J. W. Hughes, Geo. L. Taylor and Col. A. S. Prather. No instructions were given to the delegates. They were left free to exercise their best judgment. Only one resolution was passed, and that was, to elect the Republican ticket in Taney county, from head to tail.
