

Our New Hair Vigor

Ayer's Hair Vigor was good, the best that was made. But Ayer's Hair Vigor, new improved formula, is better. It is the one great specific for falling hair. A new preparation in every way. New bottle. New contents. Ask your druggist to show it to you, "the new kind."

Does not change the color of the hair.

Formulas with each bottle Show it to your doctor Ask him about it, then do as he says

As we now make our new Hair Vigor it does not have the slightest effect upon the color of the hair. You may use it freely and for any length of time without fear of changing the color. Stops falling hair. Cures dandruff.

A Letter from Texas.

Collinsville, Tex., Oct. 12.
EDITOR REPUBLICAN. People here are almost done picking cotton. Corn is selling at 65 to 75 cents per bushel, cotton for \$4.80 in the seed and \$13 in the lint, eggs at 15, butter at 25 cents. Cattle are low. Crops were not very good here this year.

George Bond, an old Taney County citizen, has become tired of Texas, and is talking of going to Oklahoma. He says that all the cotton he will have anything to do with in the future must be made up into overalls. That means he is not going to cultivate the stuff. He has been talking curious of late and we guess he will go to Oklahoma or do something equally as rash.

We like THE REPUBLICAN and read it over twice. It is like a letter from home. Say, won't somebody write and tell what you are all doing at Pleasant Shade and Irma, and give us all the news.

MATILDA WALLACE

Cold Weather Advice

to all is to beware of coughs and colds on the chest; as neglected they readily lead to pneumonia, consumption or other pulmonary troubles. Just as soon as the cough appears treat it with Ballard's Horehound Syrup the standard cure of America. Use as directed perfectly harmless. A cure and preventive for all diseases of the lungs. Price 25c. 50c. and \$1.00 per bottle. Sold by J. W. Owens, Protem, Mo.

A Letter from Oregon.

St. Helen, Ore., Oct. 9.
EDITOR REPUBLICAN—Would you please print this letter in THE REPUBLICAN and send a copy of the paper to me.

I landed in Portland on my second journey on September 20 and found the children all well and everything lovely. Plenty of meetings, prayer meetings and Sunday schools, just like being at home. To my surprise when I got here I found green beans, corn in tassel and tomatoes just ripening and Irish potatoes nice and green and not decayed. Have had no frost and scarcely any rain the sun shining brightly.

Hello, people of Missouri that want fine fruit and big fish, come to Oregon. When I landed here I felt like I was getting back home. I am working at a saw mill and getting good wages.

Wishing you all success in Missouri. I am,
J. H. BRADLEY.

All right, Mr. Bradley, your letter is published. Now we want to ask a question. Who is J. H. Bradley? After searching our subscription list we fail to find the name of Bradley anywhere therein. Don't you think you ought to join the family?

Served as coffee, the new coffee substitute known to grocers everywhere as Dr. Shoop's Health Coffee, will trick even a coffee expert. Not a grain of real coffee in it either. Pure healthful toasted grain, malt, nuts, etc. have been so cleverly blended as to give a wonderfully satisfying coffee taste and flavor. And it is "made in a minute", too! No tedious 20 to 30 minutes boiling. Taste it and see. Dr. Shoop created Health Coffee that the people might have a genuine coffee substitute, and one that would be thoroughly satisfying in every possible respect. Sold by all Grocers.

It's A Top Doer.

Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery the King of throat and Lung remedies. Every atom is a health force. It kills germs, and colds and lagrippe vanish. It heals cough-raked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. More, Black Jack, N. C., writes "it cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1.00 Trial bottle free. Guaranteed by City Drug Store.

Short Winter Course.

The Missouri Agricultural College has greatly enlarged and improved the work of the short Winter Course in Agriculture which begins this year November first.

Largely increased equipment in every department and the appointment of seven new instructors exclusively for work in the short Winter Course have made it possible for the College to give the best instruction in the short Winter Course in the history of the Institution. All the fat cattle that have won prizes at St. Joseph, Sedalia, and Kansas City will be returned to the College and used for the instruction in live stock judging. The valuable dairy cattle that attracted so much attention at the Missouri State Fair will also be freely used in the short Winter Course instruction. The new Agriculture Building will be occupied for the first time by the short course students this winter.

An illustrated pamphlet has been issued which describes these courses and may be had by writing to the college at Columbia, Missouri.

In the live stock judging contest held at the American Royal Live Stock show at Kansas City the live stock judging team from the Missouri Agricultural College made the highest score and in so doing won the beautiful \$500.00 silver Loving Cup offered by the Union Stock Yards Company of Kansas City.

Iowa, Nebraska, and Kansas Agricultural College all had strong teams competing for this much coveted prize, but the Missouri team won by a large margin and will carry home the cup. The highest scoring man in the whole contest was C. M. McWilliams of Knox County, Missouri. The second highest man was John E. Ryland of Lafayette county, Missouri.

The same kind of instruction received by these young men in the Agricultural College will be open to students of the short Winter Course in Agriculture which begins November 1, 1909.

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the Heart, and one to then Kidneys. When these "inside nerves" fail, then the organs must falter. Dr. Shoop's Restorative is directed especially to these failing nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by City Drug Store.
