State Grand Chapter Held Its Annual Convention at Sedalia, July 18-20. Many Delegates from the Entire Jurisdiction Were in Attendance.

SEDALIA, MO., July 21.—The Grand Chapter of the State of Missouri and its worthy grand jurisdiction Order of the Eastern Star, convened at the Court House in regular Annual session Wednesday morning with Mrs A Robinson, of Kansas City, Mo., Grand Royal Matron, presiding. After the regular ritualistic opening Mrs Ida M Carter, Royal Matron of Queen City Chapter No 47, this city, welcomed the officers and delegates. Mrs Maggie Ballou of Liberty, responded in suitable terms.

Many able addresses from the executive officers were the leading features of the day. One hundred delegates representing 47 Chapters were enrolled. These chapters represent a total membership of 1,200 in this jurisdiction that includes Missouri, Kansas, Iowa, Nebraska and Minnesota. During the past year the endowment collection amounted to \$739, a pretty good showing since this department has been in operation only two years. Sixteen deaths were reported and at the chapter of sorrow, an open session held at 4 p m Friday, a solemn rite was performed in their honor. G C Kimbrough, Grand Royal Patron, conducted the services. In its local chapters the members are paid sick benefits, burial expenses and are looked after in a general way. No greater agency for helping woman kind is at work in the state than this organization. Queen city chapter will be greatly benefitted by this annual meeting. The election of Mrs Ida M Carter, of this chapter as one of the Grand officers was a compliment paid our city that all Negroes living here appreciate. Friday evening a large audience witnessed the installation services at Liberty Park. Our local chapter and the

Knights Templar participated in the ceremonies. While occupying their respective positions the Grand body presented a most pleasing spectacle. The officers elect for the ensuing year are as follows:

Mrs Louisa J Roberts, Hannibal, Grand Royal Matron.

Mrs Ida M Carter, Sedalia, As

sociate Grand Matron.

Prof J H Sims, St Joseph, Royal

Grand Patron.

Rev J M Harris, Kansas city, Associate Grand Patron.

The next Annual convention will be held in Richmond.

Among the prominent ladies present may be mentioned Mes

Misses Foster of Kansas City and many others of lofty culture and noble aspirations.

The following preambles and resolutions were unanimously adopted:

Whereas, We the officers and members of the United Grand Chapter, Order of the Eastern Star, have been so royally entertained by Queen City Chapter No 47, and

Whereas, The citizens of Sedalia having granted us the use of this imposing structure, in which to hold our session, therefore be it

Summer School Notes.

President B F Allen has gone East for a ten days tour.

Principal J B Coleman and wife of Columbia are among the hard working teachers. He has given two very interesting lectures before our literary society.

Misses Alice Holmes and Estel la Martin of Sedalia are greatly missed this week. Each of them have proved that they are excellent teachers. We miss you, ladies.

Prof Moten was on the sick list for two or three days and Principal Tom Ann Dan Wright was at the head of the Department of Mathematics. It seemed that Wright is right in every place.

Editor R L Logan of the Professional World was on the Campus shaking hands with the teachers, Wednesday, the 18th.

Principal G F Perry of Guthrie, Oklahoma, is here attending the summer school. He has an even dozen teachers under his personal supervision in that city.

Our teachers are to render a program tonight for the benefit of the Methodist church.

The Summer School Literary Society is having some fine exercises and each session is well attended. Principal Tom Ann Dan Wright of Monroe City, our president, is a fine executive that is pushing things to the front.

The Principals have organized a Principals' Association, which meets every Monday afternoon. Principal Hicks, is president and Principal Johnson is secretary. At a recent meeting, thoughtful papers on "The Duties of Principals," were read by Principals Perry, Jacobs, Wright and Abington. —G. J. M., Reporter.
