Warsaw: (By I. J. P. B.) "Kievlainin, the anti-Semitic paper published in Kiev in printing demands that all Jews who hold public office shall resign, and the activities in that connection, the papers says, have already brought enough misfortune. **ANTI-SEMITISM SPREADING  
THROUGHOUT COUNTRY.**

Berlin: (By I. J. P. B.) The spread of anti-Semitism in Germany has gone on so rapidly, and is becoming so wide in its extent, that it has reached even the children in the schools. All through the country,

school children have adopted resolutions to boycott their Jewish fellow-pupils, and not to talk to them under any circumstances. The same condition holds true in grown-up circles; physicians and other professional men are boycotting their Jewish colleagues by avoiding conversation or social intercourse with them.
