A daughter was born to Mr. and Mrs. Joseph A. Kitchen on Friday evening, June 14th.

Frank Davidson has discovered a large deposit of sea shells of many kinds on his ranch; the shells are so soft they will crumble with little pressure.

Prof. E. G. Randlett of the Agricultural college called on Supt. Kitchen Monday to discuss educational work and gave assistance in the corn growing contest now in vogue in Billings county.

Baseball Notes.

The following was last Sunday's line-up: Green c. Smith p. Berth ib. Near 2b. Bowler ss. Cassidy 3b. Brifton cf. Emerson c. Lawrence lf.

"Tuck" Fowler put up an excellent game at short and handled several difficult chances in fine style.

A strong wind was blowing and perfect fielding was impossible, hence the error column was well filled on both sides.

The Sentinel Butte boys and their supporters are a gentlemanly (?) bunch and took their defeat good naturedly (?) They showed their tired after the game was over.

The boy with the dish pan, who took the place of a back stop, did great work and showed more base ball skill than all the Butte players combined. If some of them had had a dish pan they might have put up a better showing.

A baseball meeting was held last Saturday night and an organization perfected. The following officers were elected: G. D. Lovell, president; Dr. Melvin, secretary; Dr. Davis, manager; Claude Moulton, assist manager, and C. F. Smith was made captain. New grounds will be laid out near the cemetery.

The steam plow has finished breaking in this vicinity and is now south of Beach.

Chas. Waldahl called on friends at Burkey Monday.

The dance at W. H. Hunck's was not largely attended owing to the rainy weather, but enough were there for an enjoyable time and all report same.

The Burkey Sunday school were invited to Rocky Butte school, childrens day and several went—the program was good.

Mrs. J. L. Dutton expects to entertain socially, at her home Tuesday the 25th.

A teacher in a city school said to a little girl in her room: "Can you tell me what animal it is that supplies a part of your clothing?" "My father," was the entirely serious reply of the little girl.—The Christian Endeavor World.

One "A" Too Many.
A number of years ago, when the present second assistant secretary of state, Alvey A. Adee, was their assistant, an employe of the state department was called to the phone.
"Will you kindly give me the name of the third assistant secretary of state?" asked the voice at the other end of the wire.
"Adee."
"A. D. what?"
"A. A. Adee."
"Spell it, please."
"A. A."
"Yes."
