We are in receipt of a copy of the Fulton Republican published in McConnelburg, Pa. by Dr. W. L. McKibbin & Son, father and brother of W. L. McKibbin of this village. We note with pleasure a 55 inch Ad. giving a description of our Golden Valley and its many opportunities for the man who wishes to buy a good farm cheap. In this same publication Editor McKibbin has a well written reply to a political attack in which he gets the better of the Times, a near by contemporary.

A man engages in the newspaper business to make a living, just like any one else in any other business. It is not the duty of a newspaper man to ferret out any mean or contemptible act any more than it is the duty of a citizen. The citizens of a community are responsible for the immorality of a town, for dishonest elections, for the breaking of law, not the newspaper. How many business men are there in a town who will condemn a scoundrel when they know it will injure them? And yet that is what some persons expect papers to do. The trouble is the so called honorable people of the community haven't the moral courage to stand up for right. A majority of them if they endorse an article condemning the wickedness of some scion, will come around to the editor in private and tell him that he has done right, yet when it comes to talking it on the streets and elsewhere their nerve fails them, and the editor is left to fight the battle alone. It is the individual not the newspaper that has a moral courage. Newspapers reflect the wishes of the people and are the result of existing conditions, which must be changed if at all, by individual effort.—American Press.

Ball Game and K. P. Picnic.
Messrs Bowler, Baker, Lorenz and Max went down to Medora Sunday and joined the picked-up team who represented Medora in a game of baseball played before the K. P. picnic crowd, Medora vs. Dickinson. The game was interesting and evenly contested until the seventh inning, when Medora allowed Dickinson to run scores on them and win the game by a score of 10 to 1. The Dickinson band accompanied the excursionists from that city and rendered excellent music.

Drowned At Burkey.
Muns Munson, a young man 24 years of age was drowned on Sunday in Bullion creek twenty miles south of Beach. The body was shipped east to Kenyon, Minn., last evening for burial. Undertaker Davis, of the L. A. Davis & Son's furniture store at Dickinson prepared the remains for shipment.

A dance will be given after the show tomorrow evening.

CURED THREE OF THE FAMILY WITH ONE BOTTLE OF CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.
"I purchased a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and found it to be all claimed for it in the advertisements. Three of the family have used it with good results in summer complaint.—H. E. Howe, publisher of the Press, Hilland, Wis. For sale by all dealers.

A man went into a store in a neighboring town and asked the proprietor if he could rest for four or five hours. The proprietor who had just discovered a nest of mice in the coffee grinder told him he could and then asked him why he didn't go to a hotel. "I am suffering with nervous prostration and the physician said to get a quiet place to rest and as I see you don't advertise I knew I couldn't find a quieter place." And with that he settled back in his chair and watched the swallows build a nest in the cheese case.—Exchange.

Take the Postmaster's Word For It.
People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by all dealers.
