

NEIGHBORHOOD NEWS

The Chronicle wants a correspondent in every neighborhood and town within 30 miles of Beach. If your locality is not represented here in these columns it should be. Write us at once and put your neighborhood on the map.

The Editor.

OLLIE.

(From the Ollie Optic.)
Steel is expected in Ollie by the end of the week.

John Herz will soon have a full equipment for a new pool hall.

George Irving of Beach has his large rooming house under construction.

Ray Black will have his drug store on the main floor of the Irving rooming house.

Sever Johnson made a trip to Beach on Monday for material for his new blacksmith shop.

It is not likely that much bullding will be done across the track until the roads are opened up.

Thor Plomason of Beach has just completed the work of surveying the second bunch of lots for Mr. Greiner.

Carl Hall, representative of the Mandan Mercantile Co., which is to locate in our city, made a business trip to Beach Friday.

George Herz has commenced the work of excavation for his two-story building which he will use for a restaurant enterprise.

Mr. Black has received a supply of nails and other hardware and is doing quite a business for a starter.

W. C. Kees has been kept busy of late filling out contract sand deeds for Mr. Greiner for lots in the new addition to Ollie.

John Matton and Johns Dilly have their new building almost completed on five lots which they purchased in the Greiner addition.

Mr. Black has completed the work on his blacksmith shop for Sever Johnson who will open up for business on August 23.

Mr. Martin has struck some solid rock in the excavation work for his new building on the flat and has made arrangements for blasting it.

J. V. McFarland has commenced work on the construction of a building for a dress-making and millinery store, together with a real estate office.

The railroad depot contractors are here waiting the arrival of the steel gang so as to get lumber for the bulding of the depot, tank, stockyard and section house.

The dance held at the local pool hall proved a very successful affair, both socially and financially. Everyone had a good time, good music being furnished by the Carter boys.

C. B. Rogers has recently enlarged his store building to twice its former size so that it now looks like a regular city department store and is enjoying a rushing business. He also commenced work on his residence.

Our citizens held a mass meeting at the town hall the other day and decided at that time that none of them would build west across the track. The lots between the Greiner addition and the track were offered for sale.

GOLVA.

(From the Golva Gazette.)

Gerhahrt Schumacher is back from his trip to the east.

The new home of A. M. Peterson is nearing completion.

Born to Mr. and Mrs. Frank Noll, a boy. Both mother and son are doing well.
