Chronic Catarrh is Curable

Nothing is more distressing to the sufferer and his friends, Chronic catarrh is systemic—that is, it is present throughout the body, though it may manifest itself in a local ulceration.

Only a constitutional treatment will overcome systemic catarrh. Local treatments sometimes help the acute manifestations, but they cannot overcome the systemic disorder.

PERUNA Has Helped Thousands

It is a fact to catarrh. The voluntary testimony of thousands establishes that. Peruna benefits in a number of ways. Peruna builds up the digestion, restores the strength, and helps put the system in condition.

Peruna has special value in catarrh. It gives vitality to the system, restores tone to the membranes and enables these to perform their functions. In many cases its benefits begin at once, and it rarely fails when treatment is continued properly.

The Peruna Medical Department will be glad to assist you to overcome this disease. The doctor's advice is free. Don't delay treatment.

QUEEN OF NATURE FAKERS

Dove Deliberately Pretends to Be Wounded, With the Idea That She Will Gain Sympathy.

Bessie's sole aim in life has been to prove that P. T. Barnum was right when he pulled that "one minute" stuff. But Bessie was unmasked the other day, according to a New York correspondent. Her position as "Queen of the Nature Fakers" went awry, and if she wants to wring tears from the women who visit the New York Zoological park she will have to think up a new sympathy producer.

Flitted by nature to be a faker, Bessie, the bleeding heart dove, made the most of it. On her breast she has an irregular red streak which looks like a wound. Bessie soon learned that she could gain a lot of sympathy by pretending to curl up and expire when a woman screamed for a keeper to attend the bird's injury.

The other day a woman who had been the victim of Bessie's ruse a year ago visited the birdhouse with a friend. Her companion started to make the usual protest against the cruelty of letting a poor little dove suffer, when the woman recognized that Bessie was simply giving an encore of her performance of the year before. She gazed fixedly at the apparently expiring dove, then said: "You little fake. Aren't you ashamed?" and led her friend away, while Bessie resumed her interrupted dinner of rice kernels.

Will there be Real Music in your home at Christmas?

There is no one so unmusical as to believe that a talking machine produces real music. At best a talking machine no matter how much it costs, no matter what artists make records for it, no matter what claims are made for it by its manufacturers, gives only a hollow imitation of the original music.

The NEW EDISON is not a Talking Machine

This new invention of the world's greatest inventor is in no real sense a talking machine.

It represents more than two million dollars spent in research work by Mr. Edison.

It represents the achievement of his ambition to produce a musical instrument which recreates all forms of music so perfectly that the original cannot be distinguished from the Re-Creation.

By hundreds of tests, before hundreds of

thousands of music lovers, it has been proved conclusively that when an artist sings—or plays—in comparison with the New Edison Re-Creation of that artist's performance, it is impossible to distinguish the original from the Re-Creation.

The music critics of more than 200 of America's leading newspapers testify to this fact in the columns of their own papers. We shall be glad to show you what the critics say.

Hear this new invention

Come to our store and let us give you a concert of Re-Created music. Come at any time. You will always be welcome. There is no obligation to buy. We merely want you to hear what we consider the world's greatest musical instrument.
