Three more days remain of the Special Booster Day's offer, and you should not lose any time in getting every subscriber possible. Every moment is precious, and you can't afford to lose any of them. It may be that you can secure enough votes during this Special Booster Days offer to win the prize of your choice. put your best foot forward and don't be satisfied with anything but the larger term subscriptions, and thus your votes will count up faster. Don't take time to worry about what the other contestants may have. Let them do the worrying. Just see that you yourself have a goodly number of votes and keep trying to add to them. You'll never get anything in this world unless you help yourself to it. Do not waste your time wishing for something when you can just as easily take it by force. The days of fairies and wishes are gone. This is an age of individual effort. Unless you employ this, you are more than likely to be left behind in the race.

And, now to wind up our talk with you, let us advise you to get right to work. Don't be content with one subscription, but as soon as you have obtained it, start right after another one. Don't stop to rest until the Campaign is over and you have received your prize. It will be time then to rest.

"Booster Days" in the \$5000 Prize Circulation Campaign begins today, Monday, Aug. 5th and ends Saturday, Aug. 10th.

During the above "Booster Days" every contestant who brings in or sends in \$12 in subscriptions will be given 50,000 extra votes. Subscriptions may be either new or old which make up the \$12 club.

This does not mean that you must bring in the total amount at one time. For instance, you can secure six months or yearly subscriptions, and bring or send them to the Campaign Department as you secure them. We will keep an accurate record, and when you have brought in the total of \$12 in subscriptions, we will then issue you a certificate good for 50,000 extra votes. You are not limited to one Club of \$12—secure as many as possible, and get as many 50,000 vote certificates as you can.

Remember that the extra 50,000 votes are issued in addition to the regular schedule allowed as published in the Times-Record.

This will give you an excellent start. Go out at once, and get your friends to help you gain these extra votes, as this is an exceptional offer and will not be repeated.

All letters containing subscriptions and remittances received showing a post mark of Saturday, Aug. 10th, up to midnight, will be entitled to extra votes as per the "Booster Days" offer. If there is anything you do not thoroughly understand about this vote offer write or phone Campaign Manager, Phone No. 4.

The Free Automobiles
Standing out most prominently at the head of the list of prizes are the two automobiles. One, a \$1,400 5-passenger Everitt, fully equipped with windshield, Mohair top and side-curtains, Robe and Foot Rests, Dual Ignition with Magneto, Presto-Lite Tank, Tire Irons, Demountable Rims, Horn,

Tools and Repair Kit. The car has the latest feature in automobiles—a self-starter. The Everitt is on exhibition at Reidman's Auto Agency and you are cordially invited to call and see it.

The contestant with the largest number of votes at the close of the Campaign will be given their choice of this car or the one described below. One car must also go to an out of town candidate, and one to a city contestant.

The Second Automobile is a \$650 Buick Roadster, on exhibition at Frank Floras Garage, Main St., equipped with rubber top, windshield, oil lamps, tall lamp, gas generator connected with large brilliant headlights, horn and repair outfit, ready for the road.

Both these cars are well worth all the effort which anyone will spend in winning them. The Contestant who wins the \$1,400 Everitt will be winning approximately \$280 during the next five weeks of the Campaign. Will it not be worth your time?

The Trips to Yellowstone

The First Prize in Each District will be a trip to Yellowstone Park, via Gardiner Gateway. The trip via Gardiner gives the maximum of the at all points of interest. More than that, it is scheduled to bring the Tourist to each point at a convenient hour when the time of day will permit a full and satisfactory inspection of the various objects of interest along the route; it also allows a full half-day at Mammoth Hot Springs, at the Upper Basin and Old Faithful Inn, and at the Grand Canyon. The regular trip of five and one-half days through the Park via stage, gives the visitor the utmost in sight-seeing. All expenses will be fully paid for the two contestants winning these trips, and they, like the automobiles will be well worth working five weeks to secure.

The Victor-Victrola

The Second District Prize in one of the Districts will be a Victor-Victrola and \$30 worth of records. Winner of the Victrola to be allowed to choose the records. The Victrola has an oak case, Nickel-plated tone arm, sound box and trimmings and an extra heavy double spring motor. On exhibition at the Dakota Drug Co.
