A SURPRISE PARTY. Mrs. J. E. Liljedahl was very pleasantly surprised last Monday afternoon by about forty of her lady friends. The occasion was not only an anniversary, but in the form of a fruit shower, so that the paragon was literally flooded with fruit delicacies. A bounteous luncheon was served, and as a climax to the musical program, complimentary to the occasion, an elegant piece of cut glass was presented as a memento of the day.

Any article that is endorsed at home is more worthy of confidence than one you know nothing about. Endorsed by unknown people. Erastus Deming, 620 Fifth avenue Valley City, N. D., says: "About a year ago I wrenched my back and after that I suffered from sharp twinges in my loins. Any sudden move was sure to bring on an attack and often it was all I could do to get about the house. My back was lame and sore and the kidney secretions annoyed me by their frequency in passage. Finally I got a supply of Doan's Kidney Pills from the Dakota Drug company and after taking the contents of three boxes, I was entirely free from the complaint." For sale by all dealers.
