

# T. A. THORKELSON, OLD RESIDENT, DIES SUDDENLY OF HEART TROUBLE

## Was Old Timer in the County, and Had a Host of Friends Who Mourn Loss---Arrangements for funeral.

(From Thursday's Daily)

T. A. Thorkelson, prominent business man, old resident of Barnes county, and a pioneer of the state, died this morning at an early hour from heart trouble. His body was found by his little daughter about 8:30 o'clock.

The news of Mr. Thorkelson's death came as a sudden shock to the hundreds of acquaintances and intimate friends who had visited with him only a few hours before his death. Apparently he had been in perfect health, except for the trouble with his heart which had bothered him for some months. At one time he expected to get relief through an operation, but had put it off until it was too late.

Owing to the fact that several of the children are out of town, arrangements for the funeral have not been fully completed, but it is expected that it will be private and held from the house.

Torkel A. Thorkelson was born

Oct. 8, 1861, near Christiana, Norway. When eighteen years old he emigrated to this country, and for a few years made his home at Faribault, Minn. In 1880 he decided to cast in his fortunes with what was then the territory of Dakota, and after visiting several sections of the state, settled in the Sheyenne Valley, making his home in Valley City.

In 1886 Mr. Thorkelson was married to Bestha Aasen, and in 1891 he moved to Fingal where he engaged in the general merchandise business. Seventeen years later he decided to return to Valley City, engaging in the real estate and insurance business with A. P. Peake. He has lived here since that time.

Six children and his widow survive the deceased: Anfin, Bjorne, Harold, Jessie, Birdie and Thelma.

As a business man Mr. Thorkelson bore an excellent reputation, and as a citizen and resident of Valley City his life and character were above reproach.

# CHASED THE HOBOES

## STATION MASTER HAD BRUSH WITH MEN ATTEMPTING TO STEAL A RIDE ON TRAIN

Jamestown, Oct. 4.—N. P. Station Master J. Heinich had a brush with hoboes this afternoon that gave both parties a chase over the hills. Three men boarded "the blind" of passenger train No. 4 and tried to ride out of the town. Officer Heinich drove them off the tender and to the ground and then they called for rocks and got them. Leaving the train several blocks east of the depot the pursued and the officer hurled rocks and epithets at each other as they went east. The men were chased outside the city limits—and missed a stock train which went east a short time after the passenger train. The officer rides all passenger trains as they leave the depot and the "boes" have difficulty in "making" such trains out of Jamestown.

# TEACHERS HERE

The instructors of the Fingal school will arrive here this evening to attend the Schumann-Heink concert. They include the Misses Grace Farley, True Spangenberg, Georgia Fruler, Freida Maurer and Ruth Morgan.

# PARTY FOR MISS GRAY

Miss Florence Winterer has issued invitations to a group of friends for a party tomorrow afternoon in honor of Miss Amy Gray, a bride of the month.

# VISITED IN JAMESTOWN

Mrs. Nels Johnson and her guests Mr. and Mrs. John Cowan, spent yesterday in Jamestown with friends. Mr. and Mrs. Cowan expect to leave tomorrow evening for their home in Calgary, Alberta.

# TOWER CITY GUEST

Miss Dot Summerfield, of Tower City, will be a guest here today to attend the Schumann-Heink concert this evening.

# LINCOLN SCHOOL NOTES

The Lincoln school is starting their basket ball this week and they expect to have a good team this year, although they lost some of their best players to the high school.

# IN AUTO COLLISION

"The meeting of the clans" was exemplified yesterday when two autos, one carrying Frank Towne the machinery man, the other Gen A. P. Peake, accompanied by J. J. Earley, collided near town. It has been impossible to learn the details of the meeting, but it is claimed that the warm sun of yesterday afternoon was responsible. Both machines are in the hospital.

# HELPFUL WORDS

From a Valley City Citizen.  
Is your back lame and painful? Does it ache especially after exertion?  
Is there a soreness in the kidney region? These symptoms suggest weak kidneys.  
If so there is danger in delay. Weak kidneys get fast weaker. Give your trouble prompt attention. Doan's Kidney Pills are for weak kidneys.  
Your neighbors use and recommend them.  
Read this Valley City testimony. Mrs. C. A. Anderson, 310 Second St., Valley City, N. Dak., says: "Doan's Kidney Pills, procured from the Dakota Drug Co., have been used in our home for backache and other symptoms of kidney complaint and they have done good work. It do not hesitate to recommend this preparation to anyone suffering from difficulties caused by weak kidneys."

# Farm Labor Mighty Scarce Just Now

## GOOD WEATHER HERE NOW AND HELP SO SCARCE THRESHING IS BADLY HAMPERED

Special to the Times-Record.

Fargo, N. D., Oct. 3.—"Conditions in the state look serious unless we get harvest help within the next few days," declared Secretary C. P. Stine of the Fargo Commercial club yesterday. Mr. Stine has received many requests from all parts of the state calling for harvest help. Langdon yesterday wired a request for 100 threshing hands and the telegram said that all machines in operation were short handed and many could not be taken out because of the need of men.

# Supply Far Short of Demand

The conditions in Cavalier county is typical throughout the state," said Mr. Stine. "We are doing everything that can be done, but the supply of men is far short of the demand. It is a very critical period for the farmers face the possibility of losing a large portion of their crops unless they get help speedily. The railroads are co-operating with us to send men into the state, and we have appealed to the big cities in the east to send as many men as possible.

# 300,000 Men Needed

"I found recently, by investigation among the implement dealers, that there are about 15,000 threshing machines in operation in this state," said President E. J. Weiser of the First National bank last evening. "Figuring at the rate of only twenty men to a machine that means employment for 300,000 men. The figures are astonishing. It is nearly half the population of the state."

# Demand Is Enormous

Basing calculations on Mr. Weiser's figures it is evident what an enormous labor demand the state has. The fact that 300,000 men are needed to operate the threshing machines alone means a demand for labor as great as is found in the eastern states, where manufacturing is the great industry. It means that the number of men working on the machines is nearly equal to the whole number of people in Minneapolis. It is more than equal to the entire number of men in the Twin Cities.

Of course North Dakota has a large share of the men needed already on her farms, but the additional need at harvest time is tremendous. It is believed that fully 5,000 men left the state during the rainy spell, and their places must be filled before the great harvest can be adequately taken care of.

# Liquor Has Been Taken To Asylum

## THREE EMPLOYEES OF HOSPITAL FOR INSANE AT JAMESTOWN ARRESTED AND FINED

Jamestown, N. D., Oct. 3.—The law relating to the bringing of intoxicating liquors into the grounds at the state hospital for the insane was exemplified by Superintendent Hotchkiss in the discharge, summary arrest and fining in Judge Murphy's court of three of the male employees of the institution. These men had sent for and had taken to the hospital grounds, liquor which was the cause of an unpleasant attraction among the employees. This law has been and will be rigidly enforced by the management of the institution.

# Will Furnish Help To Many Farmers

## FARGO COMMERCIAL CLUB ARRANGES TO SECURE MEN FOR THE FARMERS.

(From Thursday's Daily)

The Fargo Commercial club has proven itself well in the lead of the Commercial bodies of the state by the progressive methods it has used in the past week to secure farm help to harvest North Dakota's bumper crop.

Secretary Stine of the Fargo organization phoned the Times-Record this morning that he has ready for shipment to the harvest fields a large number of men. These men are however, without any money, at least a considerable percentage of them, and Mr. Stine says it will be necessary for the farmers who desire the help to guarantee their transportation to the communities where they are wanted.

Those farmers of Barnes county who are in need of help, and willing to pay the transportation, should phone Mr. Stine or write him at once, and their needs in the way of help will be filled, at least to a large extent.

Ely, Nev., Oct. 4.—Three thousand employees of the Nevada Consolidated Mining company struck for higher wages today.

# Pe-ru-na and Ka-tar-no

I have received a letter from a young lady, who asks me: "Is the old Pe-ru-na (Ka-tar-no) better than the revised Pe-ru-na?" Either medicine has its place. One is adapted for one condition, another for another. Ka-tar-no is a better remedy for some conditions than the revised Pe-ru-na. On the other hand, the revised Pe-ru-na is a better remedy for some conditions than Ka-tar-no. They are both intended as catarrh remedies. They have both done a great work in relieving catarrh, chronic and acute. Many hundreds of cases of chronic catarrh have recovered while taking Ka-tar-no and the same is true of the revised Pe-ru-na during the last six years since its revision.

There is a difference, however, in the two remedies. Whenever catarrh is associated with constipation then the revised Pe-ru-na is the best. Instead, this is exactly why the revision was made, to meet such cases. But where no laxative is needed, where the bowels are regular or inclined to be loose, then the old Pe-ru-na (Ka-tar-no) is the better remedy. The revised Pe-ru-na is for sale at all drug stores. Those wishing to obtain Ka-tar-no, address The Ka-tar-no Co., Columbus, Ohio.

# Will Permit Students To Help Threshing

## STATE NORMAL SCHOOL GIVES YOUNG MEN TO GO TO HARVEST FIELDS FOR 10 DAYS.

That the need for the help of young men in the harvest fields is greater than in the class room, is the declaration of President G. A. McFarland of the State Normal school, who yesterday morning gave his permission to the young men in the school to absent themselves for one week to assist in getting in the grain.

Mr. McFarland believes that the harvesting of the crop is of paramount importance, and the students who leave for the next ten days were told they will suffer no loss in class standing by so doing.

# ACCEPTED POSITION.

Professor Albert Perfect, of Chicago, has accepted a position with the State Normal school as instructor of band and reed instruments. He will have charge of and will organize a new band for both ladies and gentlemen. Mr. Perfect is a thorough musician and his experience as an arranger and director will be valuable to the institution. He will also give private instruction not only to the students but to any one who may desire it, either ladies or gentlemen from the city. His studio in the basement of the Auditorium, will be open at all hours during the day, where he may be interviewed upon the subject. The Normal school is to be congratulated in securing Mr. Perfect's interest in this work.

A. J. Smith, a money loaner of Minneapolis, was in town Wednesday on business. Mr. Smith is an extensive operator over the northwest, and says he considers Barnes county the most satisfactory locality in which to do business, as crops are sure, and default in payments rare.

# TO LOS ANGELES.

Dr. and Mrs. Frank W. Chandler of the Mount Vernon apartments plan to leave Saturday with their little daughter, Miss Constance, for Los Angeles, Cal., where Dr. Chandler will spend about a month on vacation. Mrs. Chandler and Miss Constance will remain in the west for the winter.—Fargo Forum.

# OLD SETTLERS PICTURE HERE.

The Old Settlers' picture has arrived all nicely framed and will be on exhibition for a while in the window of the Valley City Furniture company. The company who framed the picture says that they have been in the business for more than twenty-five years, but have never seen a better picture or one that equalled it. Taking in consideration such a large group the faces are very distinct.

# FUNERAL SERVICES TODAY.

The funeral of the late T. A. Thorkelson was held this afternoon at 2 o'clock from the family residence. The services were conducted by Rev. Naeseth of the Norwegian Lutheran church. There were many beautiful floral offerings by the various fraternal orders of which he belonged, and from sympathizing friends and relatives. The body was escorted from the house to Woodbine cemetery by a corp of Elks, for interment.
